WRS Annual *Statements of Benefits* Enclosed

A personalized Wisconsin Retirement System (WRS) annual *Statement of Benefits* (dated January 1, 2011) is enclosed for each of your active employees with WRS contribution balances as of December 31, 2010. Please distribute these according to the instructions and guidelines provided below.

Instructions and Guidelines for Statement Distribution

Employers are responsible for distributing the *Statements of Benefits* to their active WRS covered employees. You may attach postage and send the Statements to your employees via U.S. mail in the envelopes provided. Be sure to send Statements to employees on leaves of absence.

Please remember that the *Statement of Benefits* is a **confidential document**. It should not be opened by anyone but the participant.

If a Statement is included for an employee who recently terminated or for whom a termination report has not yet been sent to ETF:

- Mail the Statement to the participant.
- In the event a termination report has not been sent to ETF, immediately submit one. Please refer to Chapter 9 "Periodic Employee Transaction Reporting" in the *WRS Administration Manual* (ET-1127) for methods available for reporting terminations. Your report should include the employee's employment termination date, applicable WRS earnings and hours of service, and last known address. ETF will update the employee's WRS account information.

Note: *Statements of Benefits* for employees working for more than one WRS employer are sent to the employer with the employee's most recent WRS begin date. This is not necessarily the primary employer.

January 1, 2011 *Statements of Benefits* will not be sent to you for:

- Employees who terminated employment and for whom you reported the employment termination to ETF prior to the Statement printing date. ETF will send Statements directly to the employee's mailing address.
- New WRS participants who enrolled in late December 2010 whose first wages were paid in January 2011. These employees will not receive Statements because no WRS contributions were paid in 2010.
- Employees who have applied for a retirement benefit.

Employees Should Carefully Review Statements

The annual *Statement of Benefits* provides WRS participants the opportunity to review important WRS account information that will eventually be used in benefit calculations. Therefore, we ask that you encourage employees to carefully review their Statements and the enclosed supporting explanation. Most questions can be answered by reading this information or viewing ETF's online video, *Your Annual Statement of Benefits*. Find it in our video library at <http://etf.wi.gov/webcasts.htm> (click on "Participants" to go to the program). To get the maximum value, we recommend the employee have their *Statement of Benefits* in hand when viewing it.

Your employees should contact you for clarification of the WRS information that you have reported to ETF: employment category, earnings, and hours worked (ETF converted the hours worked to WRS creditable service). It is critical that you immediately correct any reporting errors. Please refer to Chapter 11 of the *WRS Administration Manual* (ET-1127) for instructions and guidance on making prior year account adjustments.

Please notify your employees that **after** terminating all WRS covered employment, they must notify ETF of any address changes so they will continue to receive their annual *Statement of Benefits* (until a benefit is taken) and other mail from ETF.

Employer Feedback on *Statement of Benefits* Format
