WRS Annual *Statement of Benefits*

The Wisconsin Retirement System annual *Statement of Benefits* (dated January 1, 2017) will soon be delivered for employer distribution to active employees with WRS contribution balances as of December 31, 2016. Please distribute these according to the instructions and guidelines below.

Instructions and Guidelines for Statement Distribution

Employers are responsible for distributing the *Statement of Benefits* to their active, WRS-covered employees. You may send the statements to your employees via U.S. mail in the envelopes provided. You must add postage. Please be sure to send statements to employees on leaves of absence.

The *Statement of Benefits* are **confidential**; they should not be opened by anyone but the participant.

If a statement is included for an employee who recently terminated or for whom a termination report has not yet been sent to ETF:

- Mail the statement to the participant.
- Send a termination report to ETF immediately (if one has not already been submitted). Please refer to Chapter 9 “Periodic Employee Transaction Reporting” in the [WRS Administration Manual \(ET-1127\)](#) for methods available for reporting terminations. Your report should include the employee’s employment termination date, applicable WRS earnings and hours of service, and last known address. ETF will then update the employee’s WRS account information.

Note: *Statement of Benefits* for employees working for more than one WRS employer are sent to the employer with the employee’s **most recent WRS begin date or employment category change date**. This is not necessarily the primary employer.

January 1, 2017 *Statement of Benefits* will not be sent to you for:

- Employees who terminated employment. In these cases, ETF will send statements directly to the employee’s mailing address.
- New WRS participants who enrolled in late December 2016 whose first wages were paid in January 2017. These employees will not receive statements because no WRS contributions were paid in 2016.
- Employees who have applied for a retirement benefit.
- Some rehired annuitants who took their initial retirement benefit after January 1, 2016.

Employees Should Carefully Review Statements

The annual *Statement of Benefits* provides WRS participants the opportunity to review important WRS account information that will eventually be used in benefit calculations. Therefore, we ask that you encourage employees to carefully review their statements and the supporting [Explanation of Annual Statement of Benefits \(ET-7333\)](#), available on the ETF website. **Please provide your employees this link, and a printed copy of this explanation as requested.**

Your employees should contact you for clarification of the WRS information that you have reported to ETF: employment category, earnings and hours worked (ETF converted the hours worked to WRS-creditable service). It is critical that you immediately correct any reporting errors. Please refer to Chapter 11 of the [WRS Administration Manual \(ET-1127\)](#) for instructions and guidance on making prior year account adjustments.

Please notify your employees that **after** terminating all WRS-covered employment, they must notify ETF of any address changes so they will continue to receive their annual *Statement of Benefits* (until a benefit is taken) and other communications from ETF.
