## GIB-Approved Health Insurance Changes for 2016

The GIB has approved benefit changes and increased member cost sharing for the state's group health insurance program in 2016. The changes will provide a projected cost savings of \$85 million over the next two years, which meets requirements proposed in the 2015-2017 State Budget.

The GIB also approved shifting current dental benefits to a stand-alone, self-insured dental plan. Delta Dental of Wisconsin has been selected as the plan administrator, pending contract negotiations. Read more in the [What's New update](#).

You can also find more information in the [frequently asked questions related to the 2016 health insurance benefit changes on our website](#).

## Income Continuation Insurance

The GIB has extended the Income Continuation (ICI) premium holiday for 2016, based on the strong financial position of the local ICI plan. This means that employers and employees will not pay premiums for either standard or supplemental ICI coverage.

## Arrange Health Fairs Early

You are responsible for arranging your own health fairs. Contact the health plans and Navitus Health Solutions directly to invite their representatives to your health fair. The GIB has approved a stand-alone dental vendor for 2016, however, the contract is in negotiation at this time. ETF will release more information related to the dental vendor attending benefit fairs as it becomes available. Please select a date for your health fair that allows plenty of time for 2016 It's Your Choice materials to arrive.

**Local Employers Only:** To request a representative from ETF to attend your health fair, please fill out the [Benefit/Health Fair Request Form \(ET-7117\)](#) and return it by July 17, 2015.

Contact ETF Outreach by email at [ETFOutreach@etf.wi.gov](mailto:ETFOutreach@etf.wi.gov) with any additional questions.

## Updated Plan Contact List

The recently-revised Health Insurance Plan Contacts (ET-1728, Rev. 4/2015) can be found [online](#). This document contains each health plan's contacts for membership and coverage, claims, supplies, employee assistance programs and complaints/grievances. The form is for employer use only; please do not provide your employees with these contacts. Employees should contact the Insurance plan using the contact information in the It's Your Choice materials.
