1507 History of Rehired Annuitants

1500 Rehired Annuitants

The Wisconsin Retirement System is a qualified governmental plan under Internal Revenue Code (IRC) §§401 (a) and 414 (d). As such, WRS employers are required to comply with IRC provisions related to the rehiring of WRS annuitants.

The IRC requires that there be a valid severance from employment before someone may become a rehired WRS annuitant. Under IRS guidelines, there must be a complete separation of the employment relationship for a “bona fide” separation of service. The IRS has focused greatly on the intent of the employee to completely retire, with no prior arrangements to return to work for the employer.

Wisconsin state statute codified certain IRS requirements for rehired annuitants, mandating that a WRS employee returning to work for the same WRS employer meet both the conditions of a valid termination **and** fulfill a minimum break in service.

Wis. Admin. Code ETF §10.08 (2) provides that a WRS annuitant must meet all conditions of a valid termination before returning to WRS employment. Wis. Stat. §40.23 (1) (a) 1., provides that a WRS annuitant must fulfill a minimum break in service before returning to WRS eligible employment. Rehired WRS annuitants who have fulfilled these requirements and meet the eligibility criteria as defined in Chapter 3 for participation under the WRS, fall under two scenarios depending upon their WRS termination date:

- WRS annuitants whose termination date is prior to July 2, 2013 may elect to return to active WRS participation and suspend their WRS annuity – **OR** – continue their WRS annuity and receive no additional WRS credit for their return to work service and earnings. A Rehired Annuitant Form (ET-2319) must be completed to document their choice. Their annuity is suspended effective the first of the month following ETF’s receipt of the Rehired Annuitant Form (for annuitants electing coverage)
- WRS annuitants whose termination date is on or after July 2, 2013 are statutorily required to return to active WRS participation and suspend their WRS annuity. They must complete a Rehired Annuitant Form (ET-2319). Their annuity is suspended the first of the month following the rehire date.

While enrolled in active WRS coverage, the employee earns creditable service and is eligible for ETF-administered insurance benefits offered by the employer. Retirement contributions are due on the employee’s earnings.

Note: The only exception to this is a rehired WRS annuitant who returns to a WRS eligible position as an independent contractor. In these cases, the annuity is suspended but no service or earnings credit is reportable for the new period of employment.

Should the WRS annuitant not be expected to meet the eligibility criteria upon returning to active WRS employment, the annuity continues but no creditable service is earned; the employee is ineligible for active ETF-administered insurance, and no WRS retirement contributions are due. Employers must monitor the rehired annuitant's duration of employment and service hours performed and submit a new *Rehired Annuitant Form* (ET-2319) if the rehired annuitant is expected to meet or meets the WRS eligibility criteria. When hiring a new or former employee, employers are encouraged to perform a WRS previous service check to determine whether the employee is currently receiving an annuity from the WRS. (Refer to Chapter 23 for more information about previous service checks.)

WRS annuitants are subject to the same WRS eligibility requirements outlined in chapter 3 - WRS Eligibility Determination. Specifically, employers must perform the following evaluation for WRS eligibility:

1. Expectation upon hire.
2. When expectations change.
3. On their One-Year Anniversary date of employment.
4. During a 12-Month Rolling Look-Back. Employees who work the required hours in any 12 consecutive months must be enrolled in the WRS on the day after they have worked the required number of hours.

This applies to all types of employees or rehired annuitants (substitute teachers, limited term employees, part-time employees, etc.). Rehired annuitants who terminated employment on or after July 2, 2013 must be enrolled in the WRS if they meet current eligibility requirements for the WRS employer to be in compliance with state law.

1501 Required Conditions for a Rehired Annuitant

For a participating employee to receive a WRS benefit (including retirement annuities, lump sum retirement benefits, and separation benefits) and return to WRS eligible employment, two requirements must be met, depending on the employee's WRS termination date:

WRS Termination Date:

1. All Required Conditions of a Valid Termination

A termination, whether voluntary or involuntary, must be made with the good-faith intent of ending the employment relationship. A valid termination, for purposes of establishing eligibility to receive benefits (including retirement annuities, lump sum retirement benefits, and separation benefits) under Wis. Stat. §40.23 (1) (a) 1., must meet the conditions set forth in Wis. Admin. Code ETF 10.08 (2). Refer to subchapter 1402 for the six conditions of a valid termination.

Note: Contracts or agreements for WRS employment entered into during the minimum break in service period bring into question whether the termination was done in "good-faith." To ensure compliance with federal IRC §401 (a), ETF may investigate situations where a contract or agreement was entered into during the minimum break in service period. Refer to subchapter 1404.

2. Required Break in Service

Employees who terminate WRS-covered employment are ineligible for any benefit (including retirement annuities, lump sum retirement benefits, and separation benefits) per Wis. Stat. §40.23 (1) (a) 1., if they return to WRS-eligible employment before the **76th calendar day** after termination of participating employment.

The employee's annuity or lump sum benefit will be suspended if the return to WRS-eligible employment occurs before this required break in service is fulfilled. Any benefit payments received must be repaid.

Note: Third party contractor is a contractor hired through another entity.

* Refer to Chapter 3 for more information.

*Wis. Stat. §40.22 (3m) states, “Any employee who becomes a participating employee shall continue to be a participating employee for periods of subsequent employment with that state agency or other participating employer unless the employment is terminated for 12 or more consecutive calendar months or unless the employee receives a benefit.” In this situation, the benefit is invalid so the employee continues to be eligible for WRS regardless of working less than 30 days.

A. Advising the Annuitant of the Consequences of Returning to Employment for a WRS Employer

The employer must advise the employee or contractor of the requirement to complete a *Rehired Annuitant Form* (ET-2319). Based on the employee's WRS termination date, they either have the right to elect or decline WRS coverage, or have their annuity mandatorily suspended, if the position meets WRS eligibility criteria. Each rehired annuitant should be made aware of the impact on life and health insurance coverage, if applicable. Refer to subchapter 1502 for additional information. If a rehired annuitant's position is not expected to meet WRS eligibility criteria, it is the employer's responsibility to monitor that annuitant's employment and complete and submit a new rehired annuitant form when expectations change or when the WRS eligibility criteria are met.

A *Rehired Annuitant Form* (ET-2319) is required to be submitted to ETF in any and all instances that a WRS annuitant performs work at a WRS employer. This includes work as an employee, independent contractor, or third party contractor. The duration of the work does not matter. It could be for a day, month, year, etc. the rehired annuitant form must be submitted. If an annuitant refuses to sign and fill out the rehired annuitant form the form must still be completed by the employer and sent to ETF with a notation that the annuitant refused to complete the form.

B. Summary of Rights Under Old and New Annuitant Law

WRS Termination Date	Hours Required \geq 600 / 440	Hours Required \geq 1200 / 880
On or After 7/2/2013	<ul style="list-style-type: none">• 75-Day Minimum Break Required• Right to Elect WRS Participation	<ul style="list-style-type: none">• 75 Day Minimum Break Required• Annuity Suspended

C. Reporting Rehired Annuitants Who Return to Employment for a WRS Employer

All WRS annuitants returning to compensated employment with a WRS participating employer **must** complete a *Rehired Annuitant Form* (ET-2319), even if the employee chooses not to elect WRS coverage or is not expected to meet WRS eligibility criteria. The employer and employee must complete the *Rehired Annuitant Form* and return it to ETF within one week of hire. All information, including the employee's hire date, expected duration of employment, expected hours of work, etc., must be completed so ETF can verify that the minimum break in service occurred before the employee returned to work. WRS annuitants returning to employment as contractors with a WRS employer must also complete the form.

If the annuitant either elects WRS participation or is required to have the annuity suspended based on a WRS termination date on or after July 2, 2013, and the expectation that the annuitant will be returning to work at 2/3 of full-time employment for at least one year, the annuity will be mandatorily suspended. (Refer to Chapter 3 for eligibility determinations.) For employees (not independent contractors), WRS participation will be effective the first of the month following the WRS eligibility date. Both the employer and employee will receive an acknowledgment copy of the *Rehired Annuitant Form* indicating the effective date of WRS participation. It is important that the employer submit the form to ETF within one week of hire or any change in expectation of employment that would impact WRS participation. The *Rehired Annuitant Form* is available on ETF's website at etf.wi.gov.

If the rehired annuitant is not expected to meet WRS eligibility criteria, it is the employer's responsibility to continuously monitor that employee and submit a new *Rehired Annuitant Form* when expectations change or the employee or independent contractor actually meets the WRS eligibility criteria.

D. Annuitant Participation After Minimum Annuity Benefit (Lump Sum)

In the event the employee received a minimum WRS annuity benefit, fulfilled the minimum-required break in service and their position meets the criteria for WRS coverage, the employer **must** enroll the employee in the WRS. This employee is treated as a new participating employee for WRS purposes.

1502 Completing the Rehired Annuitant Form (ET-2319)

Reporting Requirements - The following information must be entered on your report, when applicable. Refer to the sample.

The Rehired Annuitant Form (ET-2319) must be filled out when any of the following events occur:

- The annuitant meets eligibility requirements upon his/her *One-Year Anniversary* of employment evaluation.
- The annuitant meets eligibility requirements upon a *12-Month Rolling Look-Back* evaluation.

1503 Life and Health Insurance Coverage for Rehired Annuitants

Rehired annuitants returning to WRS participation may have questions regarding insurance coverage. The following information pertains only to those employers who offer life and/or health insurance administered by ETF.

Note: Independent contractors who return to WRS eligible employment will have their WRS annuity suspended effective the first of the month following their hire date, but are not eligible for WRS participation for their work as a contractor; therefore, they are ineligible to participate in any ETF administered insurance programs while a contractor.

A. Life Insurance Coverage for Rehired Annuitants

An annuitant insured under the Wisconsin Public Employer's Life Insurance program who elects to participate, or is mandated to participate, in the WRS may choose to keep the life insurance coverage they had as a retiree or enroll in the coverage offered by the employer. If annuitant life insurance coverage is maintained, employees younger than age 65 must contact ETF to arrange for continuation of premium payments through direct pay before the annuitant coverage lapses due to nonpayment of premiums from the WRS annuity (no premiums are due after age 65). Annuitant life insurance coverage will lapse at the end of the month following the month in which the final annuity payment is received. (For example: If the final WRS annuity check is dated June 1, life insurance coverage lapses July 31.)

If the employee (contractors do not have this option) chooses to enroll in the life insurance plans provided by the employer, the employee is subject to the same eligibility rules as all other new employees who have previous WRS service. Applications must be completed and submitted to ETF with the *Rehired Annuitant Form* (ET-2319) as soon as possible, but no later than one week, after beginning active WRS participation. Active life insurance coverage will begin on the day after annuitant coverage lapses or, if the employee was not covered for life insurance as an annuitant, coverage becomes effective the first of the month following receipt of the application by the employer.

B. Health Insurance Coverage for Rehired Annuitants

A rehired annuitant electing, or mandated, to return to active WRS participation is only eligible for health insurance coverage through the active employer. (Contractors do not have this option.) An annuitant rehired by an employer that participates in WRS but does not offer health insurance to its employees will lose health insurance coverage as an annuitant by electing to participate in WRS.

Medicare is the primary payer for an employee older than 65 years who retains annuitant status. If the employee elects to return to active WRS participation and the employer participates in the Group Health Insurance Program, they may cancel any Medicare coverage but must reenroll when WRS participation terminates.

Refer to the *Group Health Insurance Employer Administration Manual*, (on Rehired Annuitants) for further information.

C. Income Continuation Insurance (ICI)

A rehired annuitant electing, or mandated, to return to active WRS participation is eligible to participate in the ICI program. The criteria for enrollment of a rehired annuitant are the same as that for any eligible employee. Refer to the *ICI Administration Manual*, Chapter 2.

1504 Disability Annuitants

A participant receiving a disability annuity cannot actively participate in the WRS. The annuitant can go back to work for a WRS participating employer while receiving the benefit, but the hours and earnings will not be WRS reportable and WRS contributions will not be remitted. If the disability annuity is terminated and the employee meets the WRS eligibility requirements the employee is once again treated as an active WRS covered employee. The employee is eligible for insurance and WRS contributions must be remitted on their WRS earnings.

1505 Waiving WRS Participation for Service as a Part-Time Elected Official

Part-time elected service is defined as 1,044 hours or less per calendar year [Wis. Stat. §40.23 (1) (am)]. Elected officials under the WRS who have attained age 55 (age 50 for protective occupation participants) and are covered for both part-time local elected service and other WRS covered employment may receive an annuity only after terminating the other WRS employment and waiving rights to further WRS participation for their part-time local elected service.

A WRS annuitant who returns to work as a part-time elected official during the required break in service may waive participation in the WRS to avoid cancellation of the annuity.

The waiver becomes effective the day after its receipt by ETF or the date all WRS covered employment other than service as a part-time elected official is terminated, whichever is later. The waiver of part-time elected service is available only for part-time elected officials who have reached the age of 55 or older (age 50 or older for protective category participants). [Wis. Stat. §40.23 (1) (am)]. This waiver is irrevocable. ETF will contact you with the termination information you need to report for WRS purposes.

If a WRS annuitant returns to work as a part-time elected official at more than one WRS participating employer, a waiver must be submitted at each employer for which the annuitant wishes to waive WRS participation. The waiver effective date mentioned in the previous paragraph will be based on the first *Waiver of Part-Time Elected Service (ET-4303)* form received by ETF. This form is available upon request and appears on the next page. The form must be completed by the employer and employee. **It is the responsibility of the employee to submit the form to ETF; the waiver does not become effective until the day after it is received at ETF.** The employer and employee will receive acknowledgment copies.
