

myETF Benefits System Instructions

Employees* and annuitants are encouraged to submit their It's Your Choice Open Enrollment changes via the myETF Benefits Online Health Insurance Enrollment System. Enrolling in a health insurance plan is a quick and easy process through our dedicated and secure website.

*UW System and UW Hospital and Clinics employees: Do not use the myETF Benefits System to enroll in or make changes to coverage. UW System employees should go to the fall enrollment website at www.wisconsin.edu/ohrwd/benefits. UW Hospital and Clinics employees must complete a paper application and submit it to their payroll and benefits office.

If you don't have access to a computer, you may submit your enrollment change on a paper application (on Page 82). Employees should submit it to their benefits/payroll/personnel office. Initial enrollment must be established through your employer. Annuitants and continuants should send the form to ETF. The address appears on the back cover of this guide.

All changes must be entered online, submitted, faxed or postmarked no later than October 31, 2014.
