## OPEN ENROLLMENT: OCT 17 - NOV 11

The It's Your Choice 2017 open enrollment period is **October 17 through November 11, 2016**. This is your opportunity to change health plans, change from family to single coverage, enroll if you had previously deferred coverage, cancel coverage for yourself or an adult dependent child and more.

Visit [etf.wi.gov/IYC2017](http://etf.wi.gov/IYC2017) for It's Your Choice enrollment information. You can also request a paper application from your payroll or benefits office, or download a copy from the ETF website.

Open enrollment is available to all who are eligible under the State of Wisconsin Group Health Insurance Program. This includes employees, retirees, currently insured COBRA continuants, surviving spouses and dependents. Changes in coverage become effective January 1, 2017.

*Due to November 11 being a federal holiday, mailed applications must be postmarked by November 10, 2016.*

## NEW EMPLOYEES

If you are electing health insurance coverage, you must enroll within 30 days of your date of hire (in an eligible position), or first eligible appointment. Coverage will be effective on the first of the month on or following your hire date, or on the date you are eligible for an employer contribution, whichever you choose. Check with your payroll or benefits office to find out when your employer contribution begins. If you choose to start your coverage before you receive employer contributions, you will pay the full premium.

Visit [etf.wi.gov/IYC2017](http://etf.wi.gov/IYC2017) for more information, including rates and It's Your Choice enrollment information. You can also request a *Health Insurance Application/Change* (ET-2301) form from your payroll or benefits office, or download a copy from the ETF website.

**UW graduate assistants:** If this is not your first eligible appointment, you may still be eligible for the initial 30-day enrollment period if you have a 30-day employment break between appointments.

For example, with the It's Your Choice Health Plan, the out-of-pocket limit (OOP), or maximum, you would pay for Levels 1 and 2 drugs is \$600 for an individual and \$1,200 for family coverage. All covered prescription drugs (Rx) fall into one of four cost-sharing levels, including Level 1 for most generic drugs and Levels 2, 3 and 4 for most brand-name drugs.

After the deductible is met, the member is still responsible for the copayment/coinsurance until the OOP is met.

<sup>2</sup> Level 3 coinsurance does not apply toward the group health insurance program's OOP under a non-HDHP, only the federal maximum out-of-pocket.

<sup>3</sup> Reduced copayment of \$50 applies only when **Preferred Specialty Drugs** are obtained from a **Preferred Specialty Pharmacy**. All other Level 4 drugs require coinsurance of 40% (\$200 max).

<sup>4</sup> Level 4 coinsurance for **Non-preferred Specialty Drugs** does not apply to the group health insurance program's Level 4 OOP, only the federal MOOP.

<sup>5</sup> Family OOPs for non-HDHP plans are embedded. An individual within a family can reach an individual OOP before the family OOP is met and not have to pay any copayment/coinsurance. Family OOPs for HDHP plans are not embedded and an individual will continue to pay until the family OOP is met.
