

# LOCATION OF HEALTH PLANS - 2005

\* Qualified in a county with no hospital.

A number of plans have changed their service areas for 2005; some have made significant changes. As a result, you may need to change plans for 2005.

"Qualified" plans in each county are underlined and show in **bold** type. "Non-qualified" plans are not underlined or bolded. Non-qualified plans have limited provider availability in the indicated county.
