ADDITIONAL INFORMATION

Referral Requirements	You do not need a referral from your primary care physician (PCP) to see any of the in-network specialists who are part of the Aurora Family Network (AFN). You will need a written referral from your PCP and authorization from CompCareBlue to obtain services from a specialist who is not participating in the AFN network. CompCareBlue will provide a written response to the referral request to you and your PCP. Although you do not need a referral to see AFN in-network specialists, in some circumstances you must use specific or designated in-network specialists associated with your PCP. Please refer to your provider directory for more information.
Prior Authorization Requirements	Pre-certification is required for non-emergency hospital stays. Certain healthcare procedures require pre-authorization as initiated by your PCP or specialist. CompCareBlue will provide a written response to you and your provider.
Medicare Claims Procedure	If Medicare is the primary carrier, claims must be submitted to Medicare first. After Medicare processes the claim, you will receive an Explanation of Medicare Benefits (EOMB). In those few cases when a provider does not accept assignment, we will notify you and the provider if a copy of your EOMB is needed.
On-Line Services	Our website is a valuable resource for both information and services. At www.bluecrosswisconsin.com , you can: <ul style="list-style-type: none"> ▪ Access our on-line directories for the State of Wisconsin by going to the <i>Find a Provider</i> section on our web site. To view or print a copy of our CompCareBlue AFN directory, click on <i>State of Wisconsin Employees Start Here</i> and then choose <i>CompCareBlue Aurora Family Network</i> directory. ▪ Access our secure online Customer Service Center, Service Direct. With Service Direct, you can review claim status, determine eligibility, inquire about deductibles and out-of-pocket expenses, check authorization status, order ID Cards and contact Customer Service. ▪ Find health and wellness information, by clicking on our Healthy Living link on our homepage. This will give you access to our LifeStyleBlue Health and Wellness Program, healthy recipes, resources, tobacco cessation programs, preventive health care guidelines and access to our Women's Health e-Newsletter.
Outpatient Mental Health Network/Policy	Pre-certification is only required for inpatient hospital stays; you do not need a referral to see an AFN mental health provider.

ADDITIONAL INFORMATION

24-Hour Nurse Line	Not available.
PCP Restrictions	Each family member may choose a different Primary Care Provider from the CompCareBlue Aurora Family Network. You are able to change your Primary Care Provider up to three times per year. Primary Care Provider changes to a new Primary Care Provider not in your current clinic are restricted to the Dual Choice enrollment period, with the change effective on January 1 st .
Dental Benefits If Provided	Dental benefits provided through your CompCareBlue health plan are: 100% coverage for comprehensive and periodic exams, diagnostic x-rays and preventive cleanings (as dentally necessary), with no more than one of each in a six-month period. Fluoride treatments for children to age 12. Orthodontia is not covered; however, where available, child and adult members receive a 20% discount off participating orthodontists' usual fees, to a maximum discount of \$1,250 per person. Where available, specific dental offices may offer a 20% discount on amalgam fillings. Please refer to the Dental Directory Listing for a participating Dental Center. All family members must utilize the same dental clinic.
Quality Improvement Initiatives	<ul style="list-style-type: none"> • Quality service initiatives include a focus on increased member satisfaction through the discontinuation of the referral process to in-network HMO specialists, as well as to improve the timeliness and efficiency of member complaint resolution. • Health Improvement Programs are available bringing a Health Coach model to our members with diabetes, asthma and congestive heart failure. These programs are led by registered nurses who will put together a coaching team of health professionals to meet the individual member needs. • Member outreach initiatives focusing on the health of our member population include efforts on cholesterol management, diabetes blood glucose screening and postpartum depression screening. Members and physicians receive mailings reminding them of testing as well as educational materials. In addition, all members receive information on these initiatives through the member newsletter.
