

**NOTABLE CHANGES & CLARIFICATIONS TO UNIFORM BENEFITS**  
**EFFECTIVE JANUARY 1, 2006**

<b>Topic</b>	<b>Page</b>	<b>Section</b>	<b>Year 2006 Benefit</b>	<b>Year 2005 Benefit</b>
<b><i>Changes &amp; clarifications to the medical benefit administered by Health Plans:</i></b>				
Transplant Maximum	D-6  D-22	Schedule of Benefits  and Section III., A., 18.	\$1,000,000 lifetime benefit maximum	\$500,000 lifetime benefit maximum
Congenital and Birth Abnormalities	D-27	Section III., C., 5.	Provided specific clarification for coverage for secondary aspects of congenital defects, especially in regard to orthodontia and dental services.	
Emergency Room Copayment	D-6	Schedule of Benefits	\$60 ER copayment	\$40 ER copayment
Travel Related Preventative Treatment	D-31	Section IV., A., 2., e.	Provide coverage of medically necessary travel-related preventative treatment, when travel is for educational purposes.	Excluded
Nutritional Counseling	D-12  D-20	Definitions  and Section III., A., 5., e.	Defined nutritional counseling to include consult evaluation, intervention and re-assessment.	Excluded

The benefit changes described above are the notable changes and clarifications to Uniform Benefits for 2006. Other minor modifications have been made to clarify the intent of specific contract language, however, these clarifications do not change your level of coverage.
