CompCareBlue will provide a written response to the referral request to you and your PCP.
Prior Authorization Requirements	Pre-certification is required for non-emergency hospital stays. Certain healthcare procedures require pre-authorization as initiated by your PCP or specialist. CompCareBlue will provide a written response to your and your provider. Contact CompCareBlue for more information about procedures that require pre-certification.
Medicare Claims Procedure	If Medicare is the primary carrier, claims must be submitted to Medicare first. After Medicare processes the claim, you will receive an Explanation of Medicare Benefits (EOMB). In those few cases when a provider does not accept assignment, we will notify you and the provider if a copy of your EOMB is needed.
