Referral Requirements	As a member of Security Health Plan (SHP), you are free to see any provider in our network without a referral. However, prior to seeing a non-network provider, you or your provider must submit a referral request in writing to SHP. SHP will notify you in writing whether the referral request is approved or denied. If your referral is not approved, your services will not be covered.
Prior Authorization Requirements	To ensure that services are covered, SHP recommends that you or your provider request prior authorization for the following: <ul style="list-style-type: none"> • Services that may be considered cosmetic or otherwise not medically necessary • Services that may be considered experimental/investigational • Services from providers not affiliated with SHP SHP will notify you or your requesting provider regarding the decision. If you are not sure if a service or procedure requires prior authorization, please call SHP.
Medicare Claims Procedure	If Medicare is the primary payer, you or your provider should submit the claim to Medicare first. Once you receive the Explanation of Medicare Benefits (EOMB), you or your provider should submit the itemized bill and EOMB to SHP.
