What we are

The Medicare Plus \$1,000,000 Plan is designed to supplement, not duplicate, the benefits available under the Federal Medicare program for State of Wisconsin annuitants. Eligibility is limited to individuals enrolling in both Part A and Part B Medicare (when eligible) and Medicare is the primary payor. It is administered by WPS Health Insurance – one of the largest health benefits providers in the state, and after 60 years, remains Wisconsin’s only not-for-profit insurer offering health plans statewide to the public and private sectors. With offices in Madison, Milwaukee, Wausau, Appleton, and Eau Claire, and over 4,700 employees, we’re deeply committed to this state and its citizens.

- This plan provides benefits and reimbursement for all Medicare deductibles for covered services.
- The maximum benefit of this plan is \$1,000,000 lifetime aggregate, in addition to benefits paid by Medicare.
- Medicare Plus \$1,000,000 Plan pays the percent of charge(s) shown above. Charge(s) means usual, customary, and reasonable (UCR) demands for payment for services or other items for which benefits are available, as determined by WPS Health Insurance. In some cases, the amount WPS determines as reasonable may be less than the amount billed by your provider. Some providers are not contractually obligated to write off the balance and, as a result, may choose to balance bill the subscriber. Should such a situation arise, 'hold harmless' protections apply. WPS Insurance will protect the subscriber against collection agencies and a court of law. WPS has contracted providers in Wisconsin and throughout the nation. For more information on 'hold harmless' or if a charge dispute arises, please call WPS Member Services at 1-800-634-6448.

* Includes Medicare payment.

** Approved services means services which would be paid by Medicare if provided in a Medicare-approved facility.
