Annuitant/Continuant booklet (ET-2108):

- On the map on **page A-3**, in Florence county, Humana Western should not be listed. Humana Western does not have providers in this county.
- On the Plan Description Page for Anthem both Northwest and Southeast, **pages G-8 and G-10**, Anthem published a wrong telephone number for people to call during Dual-Choice enrollment. The correct number is **800-490-6201**. Please note that when calling **800-490-6201**, participants should select the following from the automated menu:
 - "1" for member
 - "0#" for no subscriber number available
 - "0#" for no date of birth

In addition, for Anthem Northwest, **page G-9**, Luther Midelfort and the Midelfort Clinic should not be listed as in-network providers for Barron and Eau Claire counties. Anthem does not have a contract with these providers in 2008.

- On the Plan Description Page for Arise Health Plan, **page G-13**, under the section Dental Benefits if Provided, the category for Basic Restorative Services paid at 80% should also say that these services are subject to deductible as it states for all other services.
- On the Plan Description Page for Humana Western, on **page G-26**, the instructions in the Online Provider Directory section will not be operational until 2008. You may access the 2008 provider directory by using the website listed in the Other Online Services section on page G-27. It is <http://apps.humana.com/egroups/wisconsin/home.asp>. The directory is titled "2008 Directory for State of Wisconsin Members". Western 'Premier HMO and POS' providers are listed on pages 145-169. You may also call Humana's enrollment hotline at 1-888-393-6765.
