

## **NOTABLE PLAN AND PROGRAM CHANGES EFFECTIVE JANUARY 1, 2009**

All Dual-Choice plan changes and coverage changes take effect on January 1, 2009. To change health plans, for employees, your employer must receive your application by 4:30 p.m. on Friday, October 24, 2008. For annuitants, the Department of Employee Trust Funds (ETF) must receive your application with a postmark no later than Friday, October 24, 2008.

All plan and provider network changes are made at the request of the health plan. If you have questions or concerns, all plan telephone numbers, including Nurse Lines where available, and addresses are shown on the inside back cover of this booklet.

### **→ HEALTH PLANS NEWLY AVAILABLE**

- **Anthem has developed a new network in Northeast Wisconsin:** Anthem Northeast will be available in Brown, Door, Fond du Lac, Manitowoc, Marinette, Outagamie, Shawano, Sheboygan, Waupaca, Waushara and Winnebago Counties. Anthem has additional providers in Calumet, Kewaunee and Oconto counties.

### **→ HEALTH PLAN CHANGE**

- **WPS Patient Choice Plans 1 and 2 have combined and are now called WPS Metro Choice.** Members enrolled in either of these plans will be automatically enrolled in WPS Metro Choice unless a Dual-Choice application is submitted. WPS Metro Choice will remain a preferred provider plan. The plan will send information to current members prior to Dual-Choice and distribute new identification cards at the end of this year.

### **→ SIGNIFICANT PLAN PROVIDER NETWORK CHANGES**

- **SMP will be newly available in Crawford and Pierce Counties** effective January 1, 2009. This network change will include some providers in counties bordering Wisconsin, for example in Minnesota and Michigan, in order to support the network for SMP counties.
- A number of health plans have changed service areas. **Some plans have made significant changes by adding or terminating contracts with provider groups. Anthem, Gundersen Lutheran and Health Tradition are examples of plans that have such changes this year.** Please refer to the map on page A-3 and the Plan Descriptions in Section G. *Verify with your health plan* that your provider(s) is still available to you in 2009.
- **Note:** Your current health plan is required to give you either a list of all plan providers that will not be available to you or a provider directory listing only those providers available in 2009. Contact your plan and request this information if you have not received it by October 4.

### **→ CHANGES TO PHARMACY BENEFITS**

For most plans, the annual prescription drug out-of-pocket amount will increase to \$385 per individual and \$770 per family. See page D-2 for further information. The out-of-pocket amount for the Standard Plan and SMP will remain without a limit.

→ **CHANGES TO DENTAL COVERAGE**

See Section G, the Plan Description Pages for more information. Plans will send information to current members prior to Dual-Choice.

- **Medical Associates** is increasing dental coverage. For 2009 the plan is adding some basic restorative and orthodontic benefits up to specific benefit maximums.

→ **NOTE TO MEDICARE ELIGIBLE RETIREES IN HUMANA DURING 2009**

Humana enrolls those members with Medicare Parts A and B into its Humana administered Medicare Advantage Private Fee-For-Service (MA-PFFS) plan that offers Uniform Benefits. Continuing this year, such members will have increased access to providers both inside and outside of Wisconsin compared to the non-Medicare Humana network. However, members will need to ensure their providers accept them as a MA-PFFS member. We cannot guarantee that all available providers within the regular Humana plan will also be available in the MA-PFFS plan. Contact Humana at 1-866-396-8810 with questions. Retirees who will become eligible for Medicare during 2009 should pay special note, since there will not be another enrollment opportunity until next the Dual-Choice period.
