### State of Wisconsin Employees, Annuitants and Graduate Assistants:

- On **page 7**, the *Online Help* chart erroneously describes the program as a video. The second paragraph should read: "Review ETF's newest online **tutorial**, *It's Your Choice: Your Health Insurance Benefits for 2010*. The program explains how the books are organized, where to find specific information and highlights important factors to consider when choosing a health plan for 2010. Find it on ETF's **Internet site**, under the **Group Health Insurance** menu, at <http://etf.wi.gov/>."
- On **page 13**, Question and Answer #15, under the **Important Note**, there are two changes.
  1. The first paragraph should end with: "**The monthly imputed income amounts vary by health plan and are provided for either 1 non-tax dependent, or 2 or more non-tax dependents. These dollar amounts will be adjusted annually. Employees who are unsure if a person can be claimed as a dependent should consult IRS Publication 501 or a tax advisor.**"
  2. The following paragraph that starts with the word, "Second", should read: "Second, employees may change from single to family coverage to add a newly-eligible domestic partner or other dependent who does not qualify as a dependent under IRC Section 152 during the plan year. **The additional premium attributable to the non-qualified dependent will be taxable.**"
- On **page 14**, Question and Answer #17, language regarding full-time students has been removed as unnecessary under section 1, in the last paragraph. The bullet should read "**An unmarried parent whose only eligible child becomes disabled and thus is again an eligible dependent. Coverage will be effective the date eligibility was regained.**"
- On **page 18**, the *Health Fair Dates & Locations* chart for **UW-La Crosse** lists an incorrect ending time. The Health fair is open from **10:00 AM to 2:30 PM**.
- On **page 26**, the *Health Plan Map* incorrectly omitted **Arise Health Plan** from Lincoln County. Arise has providers **in Lincoln County** and **should appear as non-qualified**.
- On **page 28**, *footnote*, language has been added to create a footnote for the Standard Plan at Plan Tier 3. The footnote reads: "**Out-of-state residents assigned to work out-of-state receive the Standard Plan at a Tier 2 level.**"

- On **page 36**, the *Health Plan Features – At a Glance* listing for **Health Tradition Health Plan** incorrectly notes that there is a deductible on their dental coverage. **No bullet should appear in the dental deductible column as none applies.**
- On **page 41**, the *plan description page* for **Arise Health Plan** incorrectly omitted Lincoln County from the map. Arise has providers **in Lincoln County** and **should appear as non-qualified.**
- On **page 46**, the *plan description page* for **HealthPartners Health Plan** has an error in the phone number for **Referrals and Prior Authorizations**. The **correct phone number is (800) 883-2177.**
- On **pages 48 and 49**, the *plan description pages* for **Humana Eastern and Humana Western**, the **Enrollment Hotline** on the page's banner has been corrected to read **(888) 393-6765.**
- On **page 69**, in the *Health Plan Report Card* section, the title should read "**CAHPS Composite Rating Chart**". It was incorrectly labeled "CAHPS Overall Rating Chart".
- On **page 83**, the *Instructions For Completing Health Insurance Application/Change Form* should list the **Rel Code for Domestic Partners as 53** and the "**Rel Code**" for **Dependents of Domestic Partners as 38**. It incorrectly transposed the "Rel Codes" for Domestic Partners and the Dependents of Domestic Partners.
- On **pages 85 and 87**, Section 2., D., under "Reason", **Three asterisks** should follow the "Domestic Partner" subject to refer members to the footnote, below.
- On **pages 86 and 88**, Section 8., box title "Date WRS Eligible Employment Began (MM/DD/CCYY)" should also include "**or Graduate Assistant Appointment Began**" prior to (MM/DD/CCYY).
- On **page 87**, title should read "**Duplicate Application for your Records**". It was inaccurately labeled "Second Application".
