

Health Plan Map 2011

This map shows which health plan is available in each county for 2011. *Qualified* plans are highlighted in underlined, bold text. If a plan is *non-qualified*, it has limited provider availability in that area.

Note: WEA Trust PPP cannot be used to set the employer contribution. This is a special provision applied to new plans for the first year they are in our program.

The Standard Plan does not appear on this map since it is available anywhere.

* Qualified in a county with no hospital.

** Hospital four miles from major city.
