GENERAL INFORMATION ABOUT YOUR PLAN

Your comprehensive health care benefit plan is provided by The State of Wisconsin for its EMPLOYEES and ANNUITANTS under the terms and conditions of the Group Master Plan Document on file with The State of Wisconsin.

All medical expenses covered under your health care benefit plan as described in this booklet are paid for by The State of Wisconsin. This Plan is administered by Wisconsin Physicians Service Insurance Corporation (WPS) under an agreement between The State of Wisconsin and WPS.

This booklet highlights the provisions of the Plan. Be sure to familiarize yourself with its contents, and keep it in a safe place where you can refer to it quickly when you need it.

This booklet explains how the Plan works: what it pays for, what is not covered, how to submit expenses and claim benefits. Every medical cost situation cannot be specifically described in this material.

In the event of a conflict between the CONTRACT and any applicable federal or state statute, administrative rule, or regulation; the statute, rule, or regulation will control.

This past year there has been some confusion about preauthorization and pre-certification. The following information is intended to help you better understand these topics. Medicare Plus does not require preauthorization or pre-certification.

Preauthorization – while you are not required to obtain preauthorization for any outpatient services, if you are concerned as to whether your service will be payable and at what cost, a preauthorization is recommended. More information appears in this booklet on page 42.

Pre-certification – Pre-certification, that is certification of inpatient hospitalizations, is managed by WPS Medical Management and does not appear in your benefit booklet as it is not required.

Estimation of Out-of-Pocket Expenses (WI ACT 146) – At the written request of our PARTICIPANTS, WPS will provide a good faith estimate of the reimbursement that the PLAN will expect to pay and the PARTICIPANT'S responsibility (out-of-pocket costs) for a specified health care service that is being considered. Note: This process does not take the place of a preauthorization, prior approval or precertification.

COMPARISON OF OTHER STATE PLANS TO MEDICARE PLUS

The change from the Standard/SMP to the Medicare Plus mainly involves a reduction in premium because Medicare will be paying a substantial portion of the health care costs. All plans are excellent, but there will be some additions and some loss in BENEFITS. The following are general examples of those differences.

Item	Standard/SMP	Medicare Plus
Deductible	<p>Standard: \$200 per person, not to exceed \$400 per family in network; \$500 per person, not to exceed \$1,000 per family out of network</p> <p>SMP: No Deductible</p>	No Deductible
Benefits	<p>Standard: Benefits are paid at either 90% or 70% depending on choice of in or out of network provider</p> <p>SMP: Most benefits paid at 90%</p>	Plan pays Medicare Part A and B deductibles and other covered services
Treatment of Alcoholism, Drug Abuse and Nervous and Mental Disorders (other than inpatient)	<p>Standard: Benefits are paid at either 90% or 70% depending on choice of in or out of network provider</p> <p>SMP: Benefits paid at 90%</p>	Plan pays Medicare Part A and B deductibles and other covered services

ADVERSE DETERMINATION means a determination that involves all of the following:

1. WPS reviewed an admission to, or continued stay in, a health care facility, the availability of care, or other TREATMENT that is described as a covered service.
2. Based on the information provided, WPS determined that the TREATMENT does not meet WPS requirements for MEDICAL NECESSITY, appropriateness, health care setting, level of care or effectiveness;
3. As a result, WPS reduced, denied, or terminated BENEFITS for the TREATMENT.

ANNUITANT means any retired EMPLOYEE of the State of Wisconsin who: (a) is receiving an immediate annuity under the Wisconsin Retirement System; or (b) is an EMPLOYEE who retires after 20 years of creditable service; or (c) is receiving a long-term disability benefit under Wis. Adm. Code § 50.40; or (d) is receiving a disability benefit under Wis. Stats. § 40.65;

BENEFITS mean payments for HOSPITAL SERVICES, EXTENDED CARE SERVICES, PROFESSIONAL SERVICES and OTHER SERVICES.

BENEFIT PERIOD means the total duration of all successive CONFINEMENTS that are separated from each other by less than 60 days.

BIOLOGICALS means complex substances or products of organic or synthetic origin, other than food, depending for their action on the processes effecting immunity when used in immunization against or diagnosis and TREATMENT of disease or obtained or standardized by biological methods. Some examples are vaccines, serums, or antigens.

CHARGE means an amount for a HEALTH CARE SERVICE provided by a HEALTH CARE PROVIDER that is reasonable, as determined by WPS, when taking into consideration, among other factors determined by WPS: (1) amounts charged by HEALTH CARE PROVIDERS for similar HEALTH CARE SERVICES when provided in the same general area under similar or comparable circumstances; (2) WPS' methodology guidelines; (3) pricing guidelines of any third party responsible for pricing a claim; and (4) the negotiated rate determined by WPS in accordance with the applicable contract between WPS and a preferred provider. The term "area" means a county or other geographical area which WPS determines is appropriate to obtain a representative cross section of such amounts. For example, in some cases the "area" may be an entire state. In some cases the amount WPS determines as reasonable may be less than the amount billed. CHARGES for HOSPITAL or other institutional CONFINEMENTS are incurred on the date of admission. All others are incurred on the date the PARTICIPANT receives the HEALTH CARE SERVICE. CHARGE includes all taxes for which a PARTICIPANT can legally be charged, including but not limited to, sales tax.

In some cases WPS may determine that the HEALTH CARE PROVIDER or its agent didn't use the appropriate billing code to identify the HEALTH CARE SERVICE provided to a PARTICIPANT. WPS reserves the right to recodify and assign a different billing code to any HEALTH CARE SERVICES that WPS determines was not billed using the appropriate billing code, for example unbundled codes and unlisted codes.

COMPLICATION OF PREGNANCY means a condition needing medical TREATMENT before or after termination of pregnancy. The health condition must be diagnosed as distinct from pregnancy or as caused by it. Examples are: acute nephritis; cardiac decompensation; miscarriage; disease of the vascular, hemopoietic, nervous or endocrine systems; and similar conditions that can't be classified as a distinct COMPLICATION OF PREGNANCY but are connected with management of a difficult pregnancy. Also included are: terminated ectopic pregnancy, spontaneous termination that occurs during a pregnancy in which a viable birth is impossible, hyperemesis gravidarium, and preeclampsia.

CONFINEMENT means the period starting with a PARTICIPANT'S admission on an INPATIENT basis (more than 24 hours) to a GENERAL HOSPITAL, SPECIALTY HOSPITAL, LICENSED SKILLED NURSING FACILITY or EXTENDED CARE FACILITY for TREATMENT of an ILLNESS or INJURY. CONFINEMENT ends with the PARTICIPANT'S discharge from the same HOSPITAL or other facility. If a PARTICIPANT is transferred to another HOSPITAL or other facility for continued TREATMENT of the same or related ILLNESS or INJURY, it's still just one confinement.

CONGENITAL means a condition, which exists at birth.

CONTRACT means this document, which includes all attachments, supplements, endorsements or riders.

CUSTODIAL CARE means that type of care, which is designed essentially to assist a person to meet or maintain activities of daily living. It does not entail or require the

continuing attention of trained medical personnel such as registered nurses and licensed practical nurses. CUSTODIAL CARE includes those HEALTH CARE SERVICES which constitute personal care such as help in walking and getting in and out of bed; assistance in bathing, dressing, feeding, and using the toilet; preparation of special diets; and supervision of medication which usually can be self-administered. Care may also be custodial even though such care involves the use of technical medical skills . Notwithstanding the above, custodial care is also provision of room and board, nursing care, personal care or other care designed to assist an individual who, in the opinion of a PHYSICIAN, has reached the maximum level of recovery. CUSTODIAL CARE is provided to PARTICIPANTS who need a protected, monitored and/or controlled environment or who need help to support the essentials of daily living. All other children cease to be DEPENDENTS at the end of the month in which they turn 26 years of age, except that:

1. An unmarried dependent child who is incapable of self-support because of a physical or mental disability that can be expected to be of long-continued or indefinite duration of at least one year is an eligible DEPENDENT, regardless of age, as long as the child remains so disabled and he or she is dependent on the SUBSCRIBER (or the other parent) for at least 50% of the child's support and maintenance as demonstrated by the support test for federal income tax purposes, whether or not the child is claimed. WPS will monitor eligibility annually, notifying the DEPARTMENT when terminating coverage prospectively upon determining the DEPENDENT is no longer so disabled and/or meets the support requirement. WPS will assist the DEPARTMENT in making a final determination if the SUBSCRIBER disagrees with WPS' determination.
2. After attaining age 26, as required by Wis. Stat. § 632.885, a DEPENDENT includes a child that is a full-time student, regardless of age, who was called to federal active duty when the child was under the age of 27 years and while the child was attending, on a full-time basis, an institution of higher education.

The EFFECTIVE DATE of coverage will be the date of birth if a statement or court order of paternity or a court order is filed within 60 days of the birth.

A child who is considered a DEPENDENT ceases to be a DEPENDENT on the date the child becomes covered under the PLAN as an eligible EMPLOYEE.

Any DEPENDENT eligible for BENEFITS who is not listed on an application for coverage will be provided BENEFITS based on the date of notification with coverage effective the first of the month following receipt of the subsequent application by the DEPARTMENT, except as required under Wis. Stat. § 632.895 (5) and 632.896 and as specified in the CONTRACT.

1. requires approval that has not been granted by the appropriate federal or other governmental agency such as, but not limited to, the federal Food and Drug Administration (FDA); or
2. isn't yet recognized as acceptable medical practice throughout the United States to treat that ILLNESS or INJURY.
3. is the subject of either: (1) a written investigational or research protocol; or (2) a written informed consent or protocol used by the treating facility in which reference is made to it being experimental, investigative, educational, for a research study, or posing an uncertain outcome, or having an unusual risk; or (3) an ongoing phase I, II or III clinical trial, except as required by law; or (4) an ongoing review by an Institutional Review Board (IRB); or

MEDICARE PLUS PLAN

The Medicare Plus plan is designed to supplement, not duplicate, BENEFITS available under MEDICARE. It is designed for ANNUITANTS and their DEPENDENTS and is not available to active EMPLOYEES or their DEPENDENTS.

All persons must enroll for MEDICARE - both Part A HOSPITAL and Part B Medical when first eligible. Otherwise, your state group coverage is subject to cancellation without reinstatement. (This provision is delayed only for active EMPLOYEES, their spouses and their dependent children, until the EMPLOYEE terminates State employment.)

MEDICARE becomes available at age 65, or after Social Security disability benefits have been received for 24 months, or for those who have chronic kidney disease.

Your Medicare Plus coverage will terminate under the following conditions:

1. If you decide to cancel your Medicare Plus coverage while still an ANNUITANT. You must submit a written signed request to the DEPARTMENT.
2. If your Medicare Plus coverage terminates for any reason other than voluntary cancellation, BENEFITS will continue for any ILLNESS or INJURY previously covered by the CONTRACT. This extension will be effective until the end of the BENEFIT PERIOD.
3. If your eligibility for inclusion under the State of Wisconsin's group health coverage plan ceases, your Medicare Plus group coverage will be null and void on the last day of the same month. You may then continue coverage by making payment directly to WPS for the applicable Medicare Supplement policy then being issued. Continuous coverage depends on the fulfillment of the direct pay contract requirements, conditions and premium rates.
4. Failure to pay PREMIUMS timely when billed will result in cancellation of coverage with no opportunity to reinstate.

This booklet describes the benefit provisions. Additional information may be obtained from:

1. State EMPLOYEES Standard Plan booklet - "Standard Plan - Health Care Benefit Plan" published for the DEPARTMENT by WPS.
2. "Your Medicare Handbook" published by the Social Security Administration; and

10. HEALTH CARE SERVICES for any INJURY or ILLNESS as the result of war, declared or undeclared, enemy action or action of the Armed Forces of the United States, or any state of the United States, or its Allies, or while serving in the Armed Forces of any country.
11. HEALTH CARE SERVICES furnished by the U.S. Veterans Administration, except for such TREATMENT, SERVICES and supplies for which under this CONTRACT, this CONTRACT is the primary payor and the U.S. Veterans Administration is the secondary payor under applicable federal law.
12. HEALTH CARE SERVICES available from OTHER COVERAGE. Then, BENEFITS will be limited to the CHARGES for TREATMENT, SERVICES and supplies, less payments available from OTHER COVERAGE. Together, the total BENEFITS payable may not exceed the incurred CHARGES. In computing allowances available, the primary carrier according to Wis. Adm. Code § 3.40 will provide the full BENEFITS payable under its CONTRACT, with the other carrier processing the remainder of those CHARGES. However, when MEDICARE is primary, payment of BENEFITS is limited to the amount computed without coordination of BENEFITS, less the MEDICARE payments. The MEDICARE allowed amount on assigned claims is considered the CHARGE; on unassigned claims, the CHARGE is the MEDICARE limiting CHARGE amount.

If the PARTICIPANT is not actually enrolled in the voluntary medical insurance portion of MEDICARE when it is first available, the member's BENEFITS are limited to the extent they are entitled, or would be entitled if enrolled for MEDICARE BENEFITS.

13. PROFESSIONAL SERVICES not provided by a PHYSICIAN or any health care provider listed in the definition of PROFESSIONAL SERVICES in section "Definitions".
14. HEALTH CARE SERVICES which are not MEDICALLY NECESSARY or which aren't appropriate for the TREATMENT of an ILLNESS or INJURY, as determined by WPS.
15. Reversal of sterilization.

18. Artificial insemination or fertilization methods including, but not limited to, in vivo fertilization, in vitro fertilization, embryo transfer, gamete intra-fallopian transfer (GIFT) and similar procedures, and related HOSPITAL, professional and diagnostic SERVICES and medications that are incidental to such insemination or fertilization methods.
19. HEALTH CARE SERVICES provided by a midwife.
20. Food received on an OUTPATIENT basis or food supplements.
21. Housekeeping, shopping or meal preparation SERVICES.

24. HEALTH CARE SERVICES used in educational or vocational training or testing, except as specifically stated in the PLAN.

27. HEALTH CARE SERVICES for which the PARTICIPANT has no obligation to pay.
28. HEALTH CARE SERVICES rendered by a member of a PARTICIPANT'S IMMEDIATE FAMILY or a person who resides in the PARTICIPANT'S home.

30. HEALTH CARE SERVICES for the purpose of smoking cessation.
31. HEALTH CARE SERVICES determined to be MAINTENANCE CARE by WPS.
32. Over-the-counter drugs.

- 33.** Prescription drugs and BIOLOGICALS prescribed in writing by a PHYSICIAN for TREATMENT of an ILLNESS or INJURY and dispensed by a licensed pharmacist. For purposes of this exclusion, "prescription drug" means drugs that are dispensed by a written prescription from a PHYSICIAN, under Federal law, approved for human use by the Food and Drug Administration and dispensed by a pharmacist.
- 34.** Charges for injectable medications administered in a nursing home when the nursing home stay is not covered by the plan.
- 35.** Charges for injectable medications, except as specifically stated in the PLAN.
- 36.** HEALTH CARE SERVICES to the extent the PARTICIPANT is eligible for MEDICARE BENEFITS, regardless of whether or not the PARTICIPANT is actually enrolled in MEDICARE. This exclusion only applies if MEDICARE is the primary payor.
- 37.** Immunizations, physical examinations or health checkups, except as specifically stated otherwise.
- 38.** Any ROOM ACCOMMODATIONS, care, SERVICES, equipment, medications, devices, items or supplies if a PARTICIPANT is not entitled to any BENEFITS under MEDICARE.
- 39.** That portion of the amount billed for a HEALTH CARE SERVICE covered under the Plan that exceeds WPS' determination of the CHARGE for such HEALTH CARE SERVICE.
- 40.** Supportive care.
- 41.** Telephone, computer or internet consultations between a member and any HEALTH CARE PROVIDER.

- 43.** Orthopedic shoes.
- 44.** Health care services for treatment of sexual dysfunction, including impotence, regardless of the cause of the dysfunction. This includes: (a) surgical services; (b) devices (c) drugs for, or used in connection with, sexual dysfunction; (d) penile implants and (e) sex therapy.

PRE-AUTHORIZATION

BENEFITS are not payable for HEALTH CARE SERVICES that are EXPERIMENTAL, INVESTIGATIVE or not MEDICALLY NECESSARY, as determined by WPS. The types of procedures or SERVICES that may fall into this category, but not limited to these, are:

1. New medical or biomedical technology;
2. Methods of TREATMENT by diet or exercise;
3. New surgical methods or techniques;
4. Acupuncture or similar methods;
5. Transplants of body organs, unless specifically covered under subsection "Transplantations, Implantations and Grafting";
6. Sleep studies;
7. Sclerotherapy; and
8. Pain injections such as epidural injections, facet joint injections or trigger point injections.

A PARTICIPANT may ask WPS whether or not a HEALTH CARE SERVICE will be covered and how much in BENEFITS will be paid. If a HEALTH CARE SERVICE is preauthorized by WPS, no payment can be made unless the PARTICIPANT'S coverage is in effect at the time the HEALTH CARE SERVICE is provided to the PARTICIPANT.

If a PARTICIPANT does not use this preauthorization procedure, WPS may decide that the HEALTH CARE SERVICE is EXPERIMENTAL, INVESTIGATIVE or not MEDICALLY NECESSARY. No payment can then be made for the HEALTH CARE SERVICE or any related HEALTH CARE SERVICE.

If a PARTICIPANT or his/her PHYSICIAN disagrees with WPS' decision, the PARTICIPANT may appeal that decision by submitting documentation to WPS from the treating PHYSICIAN as to the medical value or effectiveness of the HEALTH CARE SERVICE. The appeal will be reviewed by practicing PHYSICIANS and, if necessary, an appropriate committee of WPS. The decision made at that time will be final.

GENERAL CONDITIONS

BENEFITS are available in accordance with the terms, conditions and provisions of this CONTRACT, including:

1. No provision of this CONTRACT shall interfere with the professional relationship between a PARTICIPANT and PHYSICIAN.
2. If a PARTICIPANT remains in an institution after being advised by the attending PHYSICIAN that further CONFINEMENT is medically unnecessary, the PARTICIPANT will be solely responsible to the institution for all expenses incurred after being so advised. WPS or the BOARD may at any time request the attending PHYSICIAN to certify that further CONFINEMENT is MEDICALLY NECESSARY.
3. Each PARTICIPANT is free to select and/or discharge a PHYSICIAN. A PHYSICIAN is free to provide SERVICE or not, in accordance with the custom in private practice of medicine. Nothing in this CONTRACT obligates WPS or the BOARD to provide a PHYSICIAN to treat any PARTICIPANT.
4. Each PARTICIPANT agrees to conform to the rules and regulations of the institution in which he/ she is an INPATIENT, including those rules governing admissions and types and scope of SERVICES furnished by the institution.
5. As a condition of entitlement to receive BENEFITS, each PARTICIPANT authorizes any person or institution to furnish to WPS all medical and surgical reports and other information as WPS may request.
6. WPS and the BOARD each have the right and opportunity to have a PARTICIPANT examined by PHYSICIANS of their choice when and as often as they may reasonably require.
7. The PARTICIPANT'S identification card must be presented, or the fact of the PARTICIPANTS participation under this CONTRACT be made known, to the provider when the PARTICIPANT requests care or SERVICES.
8. If a PARTICIPANT fails to comply with 7. above, then written notice of the commencement of TREATMENT or CONFINEMENT must be given to WPS within 30 days after the commencement of TREATMENT or CONFINEMENT. Failure to give that notice will not invalidate or reduce any claim if it is shown that notice was given as soon as was reasonably possible. However, no BENEFITS will be paid for CHARGES incurred in any CALENDAR YEAR unless a claim for those CHARGES is received by WPS within 24 months from the date the SERVICE was rendered.

9. Each PARTICIPANT agrees to reimburse WPS or the BOARD for all payments made for BENEFITS to which the PARTICIPANT was not entitled. Reimbursement must be made immediately upon notification to the PARTICIPANT by WPS or the BOARD. At the option of WPS or the BOARD, BENEFITS for future CHARGES may be reduced by WPS as a set off toward reimbursement. Acceptance of PREMIUMS or paying BENEFITS for CHARGES will not constitute a waiver of the rights of WPS or the BOARD to enforce these provisions in the future.
10. Each PARTICIPANT agrees to use a medical claim form when submitting claims for medical BENEFITS that are not submitted to WPS by the provider. Only itemized bills, statements acknowledging actual receipt of payment, or similar receipts may serve as proof of claim. Each must be an official document from the provider. Cash register receipts that are not itemized or do not clearly identify the provider, canceled checks, custom order forms and balance due statements alone are NOT acceptable as proof of claim.

Each itemized bill statement or receipt must include the patient's name, patient's WPS identification number, provider's name, provider's address, date(s) of SERVICE, diagnosis and diagnostic code, procedure code, and CHARGE for each date of SERVICE and is an official document from the provider.

For medical claims incurred outside of the United States, the PARTICIPANT, must obtain information on foreign currency exchange rates at the time CHARGES were incurred and an English language itemized billing to facilitate claim processing.

11. WPS will, at its option, pay BENEFITS either to the provider of SERVICES or to the PARTICIPANT.
12. Each PARTICIPANT agrees that the BOARD is subrogated to the PARTICIPANT'S rights to damages for an ILLNESS or INJURY caused by any act or omission of any third person to the extent of BENEFITS.
13. A PARTICIPANT shall not commence any action to recover any BENEFITS or enforce any rights under this CONTRACT until 60 calendar days have elapsed since written notice of claim was given by the PARTICIPANT to WPS, nor will any action be brought more than three years after the SERVICES have been provided.
14. Any provisions of the CONTRACT which may be prohibited by law are void, but will not impair any other provision.
15. WPS or a PARTICIPANT'S PHYSICIAN may recommend that a PARTICIPANT consider receiving treatment for an ILLNESS or INJURY which differs from the current treatment program if it appears that:

- a. the recommended TREATMENT offers at least equal medical therapeutic value; and
- b. the current TREATMENT program may be changed without jeopardizing the PARTICIPANT'S health; and
- c. the CHARGES incurred for SERVICES provided under the recommended TREATMENT will probably be less.

If WPS agrees to the PHYSICIAN'S recommendation or if the PARTICIPANT or his/her authorized representative and the attending PHYSICIAN agree to WPS' recommendation, the recommended TREATMENT will be provided as soon as it is available.

BENEFITS payable for the CHARGES incurred for such SERVICES shall be paid according to the terms and conditions of this CONTRACT. If the recommended TREATMENT includes SERVICES for which BENEFITS are not otherwise payable, payment of BENEFITS will be as determined by WPS.

- 16.** WPS may recommend that an INPATIENT be transferred to another institution if it appears that:
- a. the other institution is able to provide the necessary medical care; and
 - b. the physical transfer would not jeopardize the PARTICIPANT'S health or adversely affect the current course of TREATMENT; and
 - c. the CHARGES incurred at the succeeding institution will probably be less than those CHARGES at the prior institution.

If the PARTICIPANT or his/her authorized representative and the attending PHYSICIAN agree to the transfer, the transfer will take place as soon as bed space is available.

- 17.** The CONTRACT contains the following provision:

"Disputes as to CHARGES shall be referred, on a timely basis, to WPS who shall actively attempt to settle the dispute with the provider in a reasonable time frame.

If no settlement is reached after such referral and a lawsuit is brought against a PARTICIPANT, the PARTICIPANT shall contact the DEPARTMENT or WPS within 14 DAYS of the date on which the lawsuit is received by the PARTICIPANT. Within two BUSINESS DAYS of WPS becoming aware of a lawsuit, WPS shall notify the DEPARTMENT about the lawsuit. The DEPARTMENT shall advise WPS to either to attempt to resolve the lawsuit or hire an attorney to undertake the defense of such a lawsuit for the PARTICIPANT. WPS shall hire outside legal

counsel to represent that PARTICIPANT in any lawsuit involving WPS' determination of the CHARGE for a covered health care service under the HEALTH BENEFIT PLAN and to undertake the defense of such a lawsuit for the PARTICIPANT or take such other measures as WPS deems necessary to resolve the dispute. However, it is understood and agreed that WPS shall not hire outside legal counsel to represent that PARTICIPANT and undertake the defense of any such lawsuit or take any other measures to protect the PARTICIPANT if the PARTICIPANT agrees to accept responsibility for any costs in excess of the CHARGE determined by WPS."

While in the great majority of cases PHYSICIANS accept the WPS payment as reasonable, a PARTICIPANT may on occasion be asked by the PHYSICIAN to agree verbally or to sign an agreement accepting the responsibility for any CHARGES in excess of those paid by WPS. PARTICIPANTS should understand that such a verbal or written agreement about fees with the provider will forfeit full protection under the CONTRACT.

CHARGES in excess of what WPS determined to be "reasonable" will appear on your Explanation of Benefits (EOB) statement.

If your PHYSICIAN or HOSPITAL bills you for any remaining balance in excess of the reasonable amount, you should:

- a. send all bills you may receive for balances above the reasonable payments made by WPS to the WPS office immediately. Continue sending WPS all such bills you receive. This is the means by which WPS is notified that you are continuing to be billed for the remaining balance.
- b. call WPS immediately if you receive notice that such a balance has been referred for legal action or to a credit or collection agency (see CONTRACT language above).

You are not responsible for paying CHARGES in excess of what WPS determines as reasonable unless you have made an agreement with the service provider to accept this liability.

CLAIM DETERMINATION AND GRIEVANCE PROCEDURE

WPS will send the PARTICIPANT written notice regarding the claim within 30 days of receiving the claim, unless special circumstances require more time. This notice explains the reason(s) for payment or non-payment of a claim. If a claim is denied because of incomplete information, the notice indicates what additional information is needed. The PARTICIPANT may contact WPS Member Service department for more details of the decision.

If any PARTICIPANT has a problem or complaint relating to a BENEFIT determination, he/she should contact WPS. WPS will assist the PARTICIPANT in trying to resolve the matter on an informal basis, and may initiate a Claim Review of the BENEFIT determination. If the PARTICIPANT wishes, he/she may omit this step and immediately file a formal GRIEVANCE.

Claim Review

A claim review may be done only when a PARTICIPANT requests a review of denied BENEFITS. When a claim review has been completed, and the decision is to uphold the denial of BENEFITS, the PARTICIPANT will receive written notification as to the specific reason(s) for the continued denial of BENEFITS and of his/her right to file a GRIEVANCE.

EXPEDITED GRIEVANCE

Appeals related to an urgent health concern (i.e., life threatening), will be handled within 72 hours of WPS' receipt of the GRIEVANCE.

Formal GRIEVANCE

To submit a GRIEVANCE, the PARTICIPANT (or the PARTICIPANT'S authorized representative) must submit it in writing to WPS and identify it as a GRIEVANCE. In addition, the PARTICIPANT should also include the following information:

1. The date of service, the patient's name, amount and any other identifying information such as claim number or health care provider, as shown on the denial; and
2. Any other pertinent information such as the identification number, patient's name, date and place of service, and reason for requesting review.

PARTICIPANTS have three years after receiving our initial notice of denial or partial denial of your claim to file a grievance.

Except for an EXPEDITED GRIEVANCE, WPS will acknowledge receipt of the GRIEVANCE within 5 business days of receipt. WPS will inform the PARTICIPANT, in writing, of when the GRIEVANCE will be heard by the GRIEVANCE committee at least seven (7) calendar days prior to the date of the meeting.

The PARTICIPANT (or the PARTICIPANT'S authorized representative) will have the right to appear in person before the GRIEVANCE committee or by teleconference to present written or oral information. If the PARTICIPANT (or the PARTICIPANT'S authorized representative) chooses to participate in the GRIEVANCE committee hearing, WPS must be notified no less than four (4) business days prior to the date of the meeting.

WPS will review the GRIEVANCE. WPS will provide a written decision, including reasons, within 30 calendar days of receiving the GRIEVANCE. If special circumstances require a longer review period, before the 30 calendar day period has expired, WPS will notify the PARTICIPANT that an additional 30 calendar days will be needed to review the GRIEVANCE citing the reason additional time is needed and when resolution will be expected.

RIGHTS AFTER GRIEVANCE

There are potentially two avenues of further review available to the PARTICIPANT after WPS' final GRIEVANCE decision.

1. Group Insurance Board Administrative Review Process (ETF Chapter 11, Wis. Administrative Code)

WPS' final GRIEVANCE decision may be reviewed by the Department of Employee Trust Funds provided the written request for the review is received by the Department within 60 days after WPS final GRIEVANCE decision letter is sent to the PARTICIPANT. Decisions not timely appealed to the Department are final. Send requests to:

Department of Employee Trust Funds
Attn: Quality Assurance Services Bureau
801 West Badger Road
P.O. Box 7931
Madison, WI 53707-7931

2. External Review by an Independent Review Organization

You can request an independent review if:

- a. you were denied coverage for a HEALTH CARE SERVICE because WPS has determined that the HEALTH CARE SERVICE is not MEDICALLY NECESSARY;
- b. you were denied coverage for a HEALTH CARE SERVICE because WPS has determined that the HEALTH CARE SERVICE is EXPERIMENTAL or INVESTIGATIVE;
- c. you disagree with WPS' determination regarding the diagnosis and level of service for TREATMENT of autism; or
- d. you disagree with WPS' determination denying or terminating TREATMENT or payment for TREATMENT on the basis of a preexisting condition exclusion.

WPS will send the PARTICIPANT a list of approved organizations at the time of WPS'S written decision regarding the GRIEVANCE. A copy can also be obtained by contacting WPS' Member Service Department or by contacting the Wisconsin Office of the Commissioner of Insurance (OCI).

To qualify for EXTERNAL REVIEW, the PARTICIPANT'S claim must involve one of the determinations stated above.

In either case, the TREATMENT must cost more than the amount specified by the OCI or the Patient Protection and Affordable Care Act in order to qualify for EXTERNAL REVIEW.

If the PARTICIPANT wishes to pursue EXTERNAL REVIEW instead of a review by the Department of Employee Trust Funds, the PARTICIPANT or the PARTICIPANT'S authorized representative must notify WPS' Appeal Department in writing at the following address:

WPS Health Insurance
Attention: IRO Coordinator
P.O. Box 7458
Madison, WI 53708

WPS must receive the request within four months of the date of the PARTICIPANT'S GRIEVANCE decision letter. When the PARTICIPANT sends his or her request, the PARTICIPANT must indicate which INDEPENDENT REVIEW ORGANIZATION that he or she wants to use.

After WPS has received the PARTICIPANT'S request:

- a. WPS will notify the INDEPENDENT REVIEW ORGANIZATION and the Department of Employee Trust Funds within two business days. Within

five business days after receiving written notice of a request for independent review. WPS will send the INDEPENDENT REVIEW ORGANIZATION copies of the information the PARTICIPANT submitted as part of his or her GRIEVANCE, copies of the contract, and copies of any other information WPS relied on in the PARTICIPANT'S GRIEVANCE.

- b.** The INDEPENDENT REVIEW ORGANIZATION will review the submitted materials and will request, generally within five business days, any additional information.
- c.** WPS will respond to any additional requests within five business days, or provide an explanation as to why such information cannot be provided.
- d.** Once the INDEPENDENT REVIEW ORGANIZATION has received all the necessary information, it will render a decision, typically within 30 business days.

There are certain circumstances in which the PARTICIPANT may be able to skip the GRIEVANCE process and proceed directly to EXTERNAL REVIEW. Those circumstances are as follow:

- a.** WPS agrees to proceed directly to EXTERNAL REVIEW, or
- b.** The PARTICIPANT'S situation requires an EXPEDITED REVIEW.

If the PARTICIPANT'S situation requires an EXPEDITED REVIEW:

- a.** WPS will notify the INDEPENDENT REVIEW ORGANIZATION and the Department of Employee Trust Funds within one day and send them the PARTICIPANT'S information.
- b.** The INDEPENDENT REVIEW ORGANIZATION will review the material, normally within two business days, and will request additional information, if necessary. WPS will have two business days to respond to this request.
- c.** Once the INDEPENDENT REVIEW ORGANIZATION has all the necessary information, it will render a decision, normally within 72 hours.

The decision of the INDEPENDENT REVIEW ORGANIZATION is binding to both WPS and the PARTICIPANT as per contract. Once the INDEPENDENT REVIEW ORGANIZATION decision is issued, the PARTICIPANT has no further rights to review by the Department of Employee Trust Funds.

The PARTICIPANT cannot request a review of WPS' final appeal decision by both an INDEPENDENT REVIEW ORGANIZATION and the Department of Employee Trust Funds simultaneously. Once an INDEPENDENT REVIEW ORGANIZATION has begun the process to review a case, the DEPARTMENT will suspend its

process. The INDEPENDENT REVIEW ORGANIZATION'S decision is binding on all parties and cannot be further appealed. If the INDEPENDENT REVIEW ORGANIZATION rejects the request for review of the ADVERSE DETERMINATION involving MEDICAL NECESSITY or EXPERIMENTAL TREATMENT denial on the ground of jurisdiction, then the DEPARTMENT will continue its process.

MISCELLANEOUS INFORMATION

How To File A Claim

1. Present your WPS identification card to the PHYSICIAN, HOSPITAL or other HEALTH CARE PROVIDER when a covered SERVICE is received. The HEALTH CARE PROVIDER may submit the claim directly to WPS or MEDICARE. If the HEALTH CARE PROVIDER declines to submit the claim, you should obtain an itemized billing statement and forward it together with your identification numbers to WPS for processing.
2. For medical BENEFITS not submitted by the HEALTH CARE PROVIDER to WPS, you must use a medical claim form. You may obtain this form from WPS. Save your itemized bills or statements for all covered medical SERVICES. All receipts and bills must be fully itemized. Cash register receipts, canceled checks and balance due statements are not acceptable. Receipts and bills must be originals.
3. Be sure that all receipts and bills include: the patient's name and identification number; provider's name and address; date(s) of service, diagnosis and diagnostic code and procedure code; the charge for each date of service. Be sure to use a separate claim form for each family member for each CALENDAR YEAR. After subtracting the DEDUCTIBLE and COINSURANCE, WPS will process the balance of the CHARGES.
4. For SERVICES outside of Wisconsin, the HOSPITAL or PHYSICIAN can verify your coverage in out of state emergencies by calling WPS toll free during regular business hours.
5. Payment is made for reasonable CHARGES incurred anywhere in the United States or Canada. WPS will determine reasonable CHARGES for appropriate MEDICAL SERVICES or other items required while you are traveling in other countries. Obtain information on foreign currency exchange rates at the time CHARGES were incurred and an English language itemized billing to facilitate processing of your claim when you return home.
6. MEDICARE eligible PARTICIPANTS should include a copy of MEDICARE'S Explanation of Benefits along with the appropriate claim form and receipts. Claims may also be forwarded directly from MEDICARE to WPS. Please see subsection "MEDICARE Cross-Over" below.

MEDICARE Cross-Over

WPS has an agreement with MEDICARE to cross-over claims for any SERVICES that MEDICARE processed as primary. MEDICARE will automatically forward your Explanation of MEDICARE Benefits (EOMB) to WPS for SERVICES you receive throughout the United States.

Cross-over applies to both MEDICARE Part A and B claims. It is designed to eliminate some of the paperwork involved in filing claims, therefore you will not need to send copies of your EOMB to WPS to receive BENEFITS under the PLAN.

Automatic claim forwarding is automatic for each person covered under MEDICARE. You do not need to complete a form or contact WPS to take advantage of cross-over.

Provider Directory

You can access HEALTH CARE PROVIDERS, HOSPITALS, specialists and more through WPS' interactive and easy-to-use online Provider Directory. It's updated regularly to offer you the most current listing of HEALTH CARE PROVIDERS in your network. Simply follow these instructions to locate the HEALTH CARE PROVIDERS of your choice:

1. Access the WPS website at www.wpsic.com/state;
2. Click the "Find a Doctor" link found on the left hand side of the page, then follow these instructions:
 - a. Click on the "PAR Directory" link.
 - b. Select your network by clicking under "Search for a PAR Provider"
 - c. Enter the search criteria to find your doctor. You can search by doctor's name, specialty, or location. Use the look-up buttons for the best search results, then click the "Search" button.
 - d. Read the disclaimer, then click "Continue" to view your search results.
 - e. On the Search Results page, you'll find a listing of the providers, contact information, addresses, directions and the networks they are part of. You can either print these pages to have them formatted in a PDF directory by clicking the applicable link near the top of your Search Results page.
 - f. If your search did not yield the results you were looking for, try another search with broader criteria. For example: if you are looking for a general PHYSICIAN (no specialty), search using the criteria "family practice" or "internal medicine" and enter a city or county. Or, to find a particular

HOSPITAL or facility, type the word "HOSPITAL" in the specialty area, then enter a city or county.

If you have questions, prefer a hard copy of your provider directory, or do not have access to a computer, please contact Member Services at (800) 634-6448.

Understanding Your Explanation of Benefits (EOB)

The Explanation of Benefits (EOB) is a summary of how CHARGES were processed under your health PLAN for each covered family member. To simplify your record keeping, WPS lists only one HEALTH CARE PROVIDER and one patient on each EOB. This will allow you to easily match the EOB with your HOSPITAL, doctor or clinic bill. It's always wise to keep a copy of your EOB for your records. While the EOB is straightforward and easy to read, the first few times you look at it may be somewhat overwhelming. That is why WPS has created a sample EOB form and corresponding explanation of the most pertinent information that appears on the following pages.

PHARMACY BENEFIT MANAGER (PBM) SCHEDULE OF BENEFITS - MEDICARE PLUS

The following description of the pharmacy benefit program is an excerpt from parts of Uniform Benefits that apply to your prescription drug coverage. This is printed here for your convenience. A complete description of benefits, exclusions and limitations can be found in your "It's Your Choice: Reference Guide" book in the Uniform Benefits section I Schedule of Benefits and III Benefits and Services D. Prescription Drugs and Other Benefits Administered by the Pharmacy Benefit Manager (PBM). Exclusions and limitations are found under IV #11. All benefits are paid according to the terms of Uniform Benefits.

All benefits are paid according to the terms of the Master Contract between the PBM and Group Insurance Board. The Schedule of Benefits describes certain essential dollar limits of your coverage and certain rules, if any, you must follow to obtain covered services.

The Group Insurance Board has decided to utilize a PBM to provide prescription drug benefits. The PBM will be responsible for the prescription drug benefits as provided for under the pharmacy benefit terms and conditions of the Uniform Benefits. The prescription drug benefits are dependent on your being covered under the State of Wisconsin group health program.

The benefits that are administered by the Pharmacy Benefit Manager (PBM) are subject to the following:

- 1. Prescription Drugs and Insulin:**
 - a. Level 1 - copayment for formulary prescription drugs - \$5.00. Level 1 consists of formulary generic and certain low cost brand name drugs.
 - b. Level 2 - copayment for formulary prescription drugs - \$15.00. Level 2 consists of formulary brand name and certain higher cost generic drugs.
 - c. Level 3 - copayment for non-formulary prescription drugs - \$35.00.

- 2. Annual Out-of-Pocket Maximum (The Amount You Pay for Your Level 1 and Level 2 Prescription Drugs and Insulin):**

\$410.00 per individual	\$820.00 per family for all participants
-------------------------	--

Note: Level 3 copayments do not apply to the out-of-pocket maximum and must continue to be paid after the annual out-of-pocket maximum has been met.

3. Disposable Diabetic Supplies and Glucometers:

Coinsurance - Payable at 80%. which will be applied to the prescription drug annual out-of-pocket maximum.

4. Smoking Cessation:

Limited to one consecutive three-month course of pharmacotherapy covered per calendar year.

The PLAN, not the Pharmacy Benefit Manager, will be responsible for covering prescription drugs required to be administered during home care, office setting, confinement, emergency room visit or urgent care setting if otherwise covered under the CONTRACT. However, prescriptions for covered drugs written during home care, office setting, confinement, emergency room visit or urgent care setting will be the responsibility of the PBM and payable as provided under the terms and conditions of the prescription drug benefits of the CONTRACT.
