

Vision care benefits from OptumHealth Vision (Formerly Spectera) are being offered to State of Wisconsin annuitants during the open enrollment period starting October 6, 2008 and running through November 14, 2008. The OptumHealth Vision Care plan provides coverage for vision hardware (lenses, frames, and contact lenses) and vision exams.

Enclosed for your information is a question & answer guide and a vision benefit summary. Please review the enclosed materials for a detailed explanation of plan coverage, enrollment procedures, and premium rates to determine if this benefit is appropriate for you. Additional information about patient options and a benefit reference guide are available at the Department of Employee Trust Funds' web site: <http://etf.wi.gov/retirees/spectera.htm>

If you are interested in obtaining vision coverage with OptumHealth in 2009, you must complete the enclosed enrollment form and submit it to OptumHealth on or before November 14th, 2008.

- The enrollment form can be submitted to OptumHealth using one of two methods:
 1. Fax the completed enrollment form to the attention of:
Navnit Chitalia at (888) 574-7335.
 2. Mail the completed enrollment form to:
OptumHealth Specialty Benefits
ATTN: Navnit Chitalia
Liberty 6 - Suite 200
6220 Old Dobbin Lane
Columbia, MD 21045
- Once OptumHealth receives your completed enrollment form, coverage will be effective January 1, 2009. You will receive an ID card in the mail. The ID card will have a Unique Alternate Identification Number on it. You will not need to provide your social security number when receiving services at the providers office.
- Premiums for OptumHealth Vision coverage will be paid through monthly deductions from your Wisconsin Retirement System benefit checks. Please note that OptumHealth cannot accept direct payment of premiums from retirees.

Please direct your questions regarding this vision coverage program to OptumHealth Vision customer service at:
