

USCM Deferred Compensation Program
Wisconsin Plans

Plans with assets greater than \$1 million, and still utilizing the USCM Program (given data is as of 12/31/2010, some plans may have changed providers), would be pro-actively approached for "re-papering" to new USCM Program. Plans with assets less than \$1 million, will receive communications via mail or electronically from USCM, and will be provided additional information as requested.
