APPENDIX A – REALITY INVESTING TERM SHEET

Plan Sponsor: _____

Plan(s): _____

Target Rollout Date: _____

Initial Term: **Three years from the Effective Date.**

A. Participant Fees.

Participant means an employee who is enrolled in and has established an account in the Plan. Participants that enroll in any of the below services become actual users (“Actual Users”).

Reality Investing includes access to the three services described below. Please check the box next to each service you would like AAG to make available to Participants.

Online Investment Guidance -- An online tool that provides personalized asset allocation assistance without recommending any one specific fund. There is no fee for using Online Investment Guidance.

Online Investment Advice – An online tool that provides personalized investment option specific recommendations based upon a participant’s financial situation. The fee for Online Investment Advice is \$25.00 per year, or \$6.25 per quarter. This fee can be paid for by the Plan Sponsor or the Plan Participant. If it is paid for by the Participant, the fee will be debited from the accounts of those Actual User accounts within the last five (5) to seven (7) business days of each quarter; however, if the Actual User cancels his or her enrollment in Online Investment Advice, the fee will still be debited from the Actual User’s account within the last five (5) to seven (7) days prior to the end of the quarter that the cancellation was processed. As well, if the Plan terminates its Service Agreement with GWRS, the fee will be debited upon such termination. Enrollment in the Online Investment Advice at any time during a quarter will result in the Actual User account being debited, or the Plan Sponsor incurring the charge for the quarterly fee.

Plan Sponsor agrees the Online Investment Advice fee will be paid for by a Plan Participant, as described above, unless the following box is checked.

Plan Sponsor Pay

Managed Account Service – The tiered pricing described in the table below applies to Managed Account Service. Actual Users will be charged a quarterly fee based on their account balance that AAG manages on the day the fee is debited. The fee will generally be debited from the Actual User’s account within the last five (5) to seven (7) business days of each quarter. If the Actual User cancels participation in the Managed Account Service, the fee will be based on the Actual User’s account balance on the date of cancellation and will be debited from the Actual User’s account within five (5) to seven (7) business days prior to the end of that quarter. As well, if the Plan terminates its Service Agreement with GWRS, the fee will be debited upon such termination. The fee for an Actual User is depicted below.

Managed Accounts with total plan Assets > \$100 million

<i>Participant Account Balance</i>	<i>Managed Account Annual Fee</i>
First \$100,000 of account balance	0.60 %
Next \$150,000, up to \$250,000 account balance	0.50 %
Next \$150,000, up to \$400,000 account balance	0.40 %
Amounts greater than \$400,000	0.30 %

For example, if an Actual User's account balance subject to Managed Account Service is \$50,000, the fee is 0.60% of the account balance. If the account balance subject to Managed Account Service is \$500,000, the first \$100,000 will be subject to a fee of 0.60%, the next \$150,000 will be subject to a fee of 0.50%, the next \$150,000 will be subject to a fee of 0.40%, and amounts over \$400,000 will be subject to a fee of 0.30%.

Plan Sponsor agrees the Managed Account Service fee will be paid for by a Plan Participant, as described above, unless the following box is checked.

Plan Sponsor Pay

AAG reserves the right to offer certain plan discounted fees or other promotional pricing.

Actual Users must allocate all of their account balance to the Managed Account Service. Partial management of the account whereby Actual Users can invest in other Core Investment Options while also participating in the Managed Account Service is not an option. Once enrolled in the Managed Account Service, Actual Users will no longer be able to make allocation changes to their accounts online, via paper, or through the Plan's existing toll-free customer service number. In addition, Actual Users will not be able to make fund-to-fund transfers, change fund allocations, or utilization of dollar cost averaging and/or rebalancer. Actual Users may still request and be approved for loans, take a distribution, and retain full inquiry access to their account. All of the aforementioned functionality will be restored to the Actual User's account no later than the next business day markets are open after they cancel their participation in the Managed Account Service.

Actual Users may cancel their participation in Managed Account Service at any time by completing the cancellation form available online through the Plan web site or by calling AAG at the Plan's existing toll-free customer service number.

B. Set-Up Fee: Included. Set-up services include analyzing features of system parameters of the Plan and the underlying investments, assigning unique portfolio accounts for Actual Users and testing systems environments. If additional set-up services are required, any fees will be separately negotiated.

C. Communication and Ongoing Maintenance Fee: Included. The communication and ongoing maintenance fee includes monitoring the use of Reality Investing, and integrating Reality Investing communications into the Plan's overall communications campaign, including enrollment materials, forms, web site, and group meetings.

At least one mailing to a broad range of Participants regarding Managed Account Service may be included in the standard services package for which there is no additional fee. Standard materials may include a discussion of Reality Investing in enrollment/education materials, on the web site, and/or in personalized Participant materials if the Plan is providing a full payroll data interchange file. Additional or custom Participant communications materials will be used by AAG and may be paid for by AAG, Great-West or the Plan Sponsor, as negotiated on a case-by-case basis. Such additional or custom communications may include targeted marketing techniques based upon participant demographical and/or account data (including but not limited to age, income, deferral rates, current investment elections) to identify participants who may benefit from participation in the Managed Account Service. The participants identified will be targeted for additional solicitations or other marketing efforts designed to educate them regarding the features of the Managed Account Service.

The dedicated representative(s) of the Plan, Plan Sponsor, Great-West and AAG, as applicable, will facilitate communications regarding Reality Investing.

Reporting: On a quarterly basis, AAG shall provide Plan Sponsor with a report on the number of Actual Users enrolled in Reality Investing.

Addition of New Plans: Tax-deferred plans not listed at the top of this Appendix A that are added to Plan Sponsor's program after the Effective Date will not be included in this Agreement, and will be subject to additional fees.
