TO: Wisconsin Retirement Board
Employee Trust Funds Board

FROM: Mary Alice McGreevy, Compliance Officer
Office of Policy, Privacy and Compliance

SUBJECT: Clearinghouse Rule # 13-029: Clarification for Administration of the Duty Disability Program.

Staff recommends the Board approve the final version of this proposed rule.

The Department of Employee Trust Funds (ETF) proposes to revise the existing ETF administrative rules to clarify how ETF administers the Duty Disability Program and to streamline the process of applying for and making determinations regarding the Duty Disability benefit.

The rule changes include the following amendments: the definition of “firefighter” is amended to not conflict with existing statute providing that employers determine principal duties for the protective classification; that an employer or physician may determine the limiting of a participant’s job duties for “light duty”; that either an employer or physician assigns an employee to light duty irrespective of the availability of such a position; that medical reports are paid for by the applicant and one report must be from a specialist; listing of requirements for duty disability applications under presumption statutes for heart, lung disease and certain cancers; and clarifying that a current employer of a firefighter may verify and certify past qualifying service.

ETF has taken the following actions as part of the rule promulgation process:

- Statement of Scope approved by ETF Secretary on June 11, 2010.
- Statement of Scope published in Wisconsin Administrative Register No. 654 on July 1, 2010.
- Proposed rule submitted to Legislative Council Administrative Rules Clearinghouse on April 16, 2013.

Reviewed and approved by Steve Hurley, Director, Office of Policy, Privacy and Compliance

The final draft report on the proposed administrative rule is attached to this memorandum. Staff made minor changes to the rule in response to comments received in the Legislative Council Staff Clearinghouse Report. The rule now conforms to recommended form and style. There were no appearances at the public hearing held at ETF on May 15, 2013, and no written comments were received.

Board approval of the final version of the proposed rule is the next step in the administrative rule promulgation process. Once approved, ETF will first submit the proposed rule to the Governor for approval, and then to the State Legislature for consideration.

ETF 52.04 (4) is amended to include payments to spouse, domestic partner or adjudicated guardian.

ETF 52.06 (3) (b) is amended to clarify that either an employer or physician assigns an employee to light duty irrespective of the availability of such a position.

ETF 52.06 (5) (a) is amended to clarify that medical reports for applicants are paid for by the applicant, and one must be from a specialist, and the Department does not approve or certify specialists.

ETF 52.06 (5) (Note) is amended to fix the mailing address of the Department.

ETF 52.06 (6) (a) is amended to clarify when an applicant may withdraw an application for duty disability benefits.

ETF 52.06 (7) (a) is amended to clarify language.

ETF 52.06 (7) (b) is amended to clarify requirements for submitting certain duty disability applications under presumption statutes for heart, lung disease and certain cancers.

ETF 52.06 (7) (b) (3) is amended to clarify how an employer certifies a fire fighter's qualifying medical examination.

ETF 52.06 (7) (bm) is created to clarify requirements for employer certification when applying for duty disability benefits pursuant to s. 891.453, Stats.

ETF 52.06 (7) (c) is clarified regarding the use of evidence when the Department determines eligibility for duty disability benefits based on certain presumptive diseases.

ETF 52.07 (3) (b) is amended to clarify that the employer assigns the applicant to light duty even if a light duty position isn't available.

ETF 52.07 (3) (c) & (d) are amended to clarify what constitutes a reduction in pay for purposes of duty disability benefits administration.

ETF 52.07 (4) is amended to clarify and remove "merely" from the phrase "merely temporary."

ETF 52.08 (3) is amended to clarify that an employer or a physician may characterize a disability as temporary and then amend that determination.

ETF 52.12 (1) (a) 1, (1) (b) & (1) (c) are amended to clarify what is included in "monthly salary" for the purpose of administering duty disability benefits.

2. Whether the participant had served at least 10 years ~~for that employer as a municipal~~ as a fire fighter within the meaning of s. ETF 52.02 (4m) ~~(b) (1) (m)~~. The service need not have been continuous service. The current employer of a fire fighter may verify and certify past qualifying service as a fire fighter for the purposes of this subsection.

3. An attached copy of the qualifying medical examination given prior to the time the participant became a fire fighter for that employer ~~or a certification~~. If no qualifying medical examination is available, the employer must certify that there is no record of a medical examination; but one would have been required prior to the participant's hire date.

Section 5. ETF 52.06 (7) (bm) is created to read:

(bm) In addition to the requirements of par. (a), for each application for duty disability benefits pursuant to s. 891.453, Stats., the department shall obtain from the employer a copy of the qualifying medical examination given prior to the time the participant worked for that employer in a position listed in s. 891.453, Stats. If no qualifying medical examination is available, the employer must certify that there is no record of a medical examination, but that one would have been required prior to the participant's hire date.

Section 6. ETF 52.06 (7) (c) is amended to read:

(c) The department shall determine whether s. 891.45, 891.453 or 891.455, Stats., applies. ~~If either presumption applies the department may grant an application for duty disability benefits despite an employer assertion that the cancer or heart or respiratory impairment or disease underlying the disability is not due to the participant's occupation.~~ The presumptions under ss. 891.45, 891.453 and 891.455, Stats., are rebuttable. The department shall determine whether the applicant is eligible for benefits under s. 40.65, Stats., on the basis of evidence submitted pursuant to s. 40.65 (2) (b) 2. Stats.

Section 7. ETF 52.07 (3) (b), (c), (d) and (4) are amended to read:

52.07 (3) (b) The employer ~~or physician~~ assigns the applicant to light duty; regardless of whether a light duty position is available.

(c) The employer reduces the applicant's pay. Only a reduction in ~~base pay~~ regular monthly earnings meets the ~~criteria~~ requirement of this subsection. Loss of shift differential payments, uniform allowances, or other collateral payments ~~is are not a reduction~~ reductions of pay within the meaning of s. 40.65 (4) (c) 2., Stats. Receipt of temporary disability compensation under s. 102.43, Stats., in lieu of regular pay may be a reduction of pay for purposes of duty disability benefit eligibility when the employer does not make up the difference between workers' compensation and regular monthly earnings.

and if the participant terminates employment while still receiving temporary disability compensation. A situation in which the participant is not working and is not receiving any earnings would be considered a reduction in pay.

(d) The employer reduces the applicant's position. Assigning a formerly full-time employee to a part-time position or reducing a part-time employee's hours is considered a reduction of position- for the purposes of this chapter. An employee who never returns to work is also considered to have received a reduction in position for the purposes of this chapter. Assigning the applicant to a position which does not satisfy the criteria under s. 40.02 (48), Stats., defining a protective occupation participant is a reduction of position- for the purposes of this chapter.

(4) TEMPORARY ACTIONS NON-QUALIFYING. Assignments to light duty, or reductions in pay or position or promotional opportunities, which are merely temporary in nature, such as actions taken to allow recovery, are not consistent with a permanent disability and do not qualify a participant for duty disability benefits.

Section 8. ETF 52.08 (3) is amended to read:

(3) REDUCTION OF PAY OR POSITION; ASSIGNMENT TO LIGHT DUTY. If eligibility for duty disability benefits is based upon a reduction of pay or position or assignment to light duty, then the qualifying date is the date on which the employee began the permanent reduction or assignment. For purposes of this subsection, a reduction or assignment is permanent even if initially characterized as temporary by the employer, or physician, if the reduction or assignment remains continuously in effect while the participant is recovering or his or her permanent condition is being assessed and the employer or physician then determines that it is necessary, because of the participant's disability, to make the reduction or assignment permanent, or that employment be terminated. If the participant is restored to the unreduced pay or position then a previous reduction in pay or position was not permanent. If the participant is assigned to full duty then a previous assignment to light duty was not permanent.

Section 9. ETF 52.12 (1) (a) 1, (1) (b) and (1) (c) are amended to read:

ETF 52.12 (1) (a) *Regular monthly earnings.* The participant's monthly earnings, as defined by s. 40.02 (22), Stats., as of the qualifying date, except as provided in subds. 1. and 2.

1. Exclusions. ~~All overtime~~ "Regular monthly earnings" for the purposes of this section do not include:

a. Overtime pay, ~~any.~~

b. Any payments excluded from earnings by s. 40.02 (22) (b), Stats., ~~or any.~~

c. Any periodic payments made during that any month which covered other periods of time, such as a lump sum longevity award, ~~shall be subtracted from the earnings under this paragraph. Additions to pay which the participant was not eligible to receive on the qualifying date and amounts~~

d. Amounts which are not earnings reportable to the Wisconsin retirement system may not be included in the amount under this paragraph.

ETF 52.12 (1) (b) Prorated cash payments. A prorated amount reflecting the monthly equivalent of periodic cash payments which are includable in the participant's annual Wisconsin retirement system earnings, ~~except that any category or type of payment for which the participant did not qualify as of the qualifying date may not be included in this proration, regardless of the participant's previous receipt of, or entitlement to, the payments.~~ This includes lump sum payments for accumulated leave that are made at least once per calendar year to all employees, within a bargaining unit, specific employment category, classification or those whose job description contains the same primary job duties, regardless of whether an employee terminates employment during that year. This includes any unused compensatory time that is converted to pay in a lump sum payment if not due to termination of employment. Such payments are divided by 12 and the result is added to the participant's regular monthly earnings. Lump sum payments may only be included as prorated cash payments if, as of the participant's duty disability qualifying date:

1. The participant would have been in a position that was eligible for the prorated lump sum payment regardless of if or when paid; and
2. The participant would have received the lump sum payment in the calendar year of the participant's duty disability qualifying date.

ETF 52.12 (1) (c) Regular and dependable overtime pay. ~~A monthly prorated amount for overtime pay which was regularly and dependably received~~ For the purposes of this chapter, regular and dependable overtime pay means hours that are worked or for which an employee is required to be on call or standby by the employer, above the normal work hours. For the purposes of this paragraph, normal work hours are 80 hours in a biweekly pay period unless otherwise specifically designated by union contract. Subject to subds. 1. and 2., As set forth in this paragraph, this amount shall be calculated by taking the number of overtime hours for which the participant was paid in the 5 calendar years preceding the calendar year of the qualifying date, dividing by 60, and multiplying the result by the hourly overtime rate to which the participant was entitled as of the qualifying date. If the participant has been employed by the employer for less than the preceding 5 years, the monthly average of all overtime hours paid shall be multiplied by the hourly overtime rate as of the qualifying date.

~~1. If the participant received no overtime from the employer in whose service the disability occurred during one of the 5 years preceding the calendar year of the qualifying date, then no overtime was regularly and dependably received.~~

~~2. If the participant was in a position not eligible for overtime pay on the qualifying date then no overtime pay may be included in the calculation of monthly salary. Eligibility for compensatory time off is not eligibility for overtime. No form of compensatory time off or paid, even if converted to pay, is overtime pay under this paragraph.~~

Section 10. ETF 52.15 is created to read:

ETF 52.15 Reduction of Duty Disability Monthly Salary Based on Years of Service.

(1) As of the date of receipt of the duty disability application, the department shall apply s. 40.65 (5) (a) Stats., as follows:

(a) If creditable service is 25 years or less, no reduction will be applied.

(b) If the participant is eligible for benefits under subchapter II of ch. 40, Wis. Stats., the reduction will be 0.5% for each month of creditable service over 25 years.

(c) If the participant is not eligible for benefits under subchapter II of ch. 40, Wis. Stats., the reduction will be 0.5% for each month of creditable service over 30 years.

(d) The duty disability monthly salary will not be reduced to less than 50% if the participant qualifies for benefits under s. 40.63, Stats., subchapter III of ETF 50, or disability benefits under OASDHI.

(2) For purposes of this section, to be eligible for benefits under subchapter II of ch. 40, Wis. Stats., on the date the duty disability application is received by the department, the participant must have terminated from covered employment and the participant may not have been approved for benefits under s. 40.63, Stats., or benefits under subchapter III of ETF 50.

(3) Except as otherwise provided in subsection (4), for purposes of this section, creditable service includes military service if, as of the date of receipt of the application:

(a) The service has already been credited to the participant's WRS record; or

(b) The department has received all documentation required for crediting military service for the participant.

(4) Military service will not be considered if the documentation required for crediting military service is received by the department after the date the department receives the duty disability application.

Section 11. ETF 52.16 (4) (a) and 52.16 (4) (c) are amended to read:

ETF 52.16 (4) Worker's Compensation. (a) Withholding requirement. Until the worker's compensation permanent disability benefits payable to the participant are paid or otherwise determined, the department shall withhold from each monthly payment of duty disability benefits an amount equal to 5% of the maximum monthly duty disability benefits, except as otherwise provided by s. ETF 52.14. ~~For purposes of this subsection, worker's compensation benefits become determined on the following date:~~

~~1. For a case resolved by a compromise agreement, on the date one year after the later of the date the compromise was filed with the department of workforce development or its predecessor or the date an award was entered based on the compromise, provided no application is then pending to review, set aside, or modify the agreement.~~

~~2. In all other cases, on the date an award decision becomes final and is not subject to further review.~~

ETF 52.16 (4) (c) Payable to the participant. Worker's compensation benefits payable to the participant, within the meaning of s. 40.65 (5) (b) 3., Stats., are all worker's compensation benefits other than amounts expressly identified in the worker's compensation order, or order approving a compromise settlement, as being paid ~~to an~~ as attorney fees, as medical expenses or as reimbursement for other costs, or any amounts awarded under ss. 102.18 (1) (bp) or 102.22 (1), Stats.

Section 12. ETF 52.22 (3) is created to read:

ETF 52.22 (3) LIMITATIONS. If a protective occupation participant who was approved for duty disability benefits dies of a disease listed under ss. 891.45, 891.453 or 891.455, Stats., but the benefit was not approved based on that disease, the surviving spouse or domestic partner is not eligible to apply for death benefits as a result of that disease.

Section 13. ETF 52.28 (2) (a) is amended to read:

ETF 52.28 (2) (a) The employer may appeal a determination granting an application for duty disability benefits, including determinations based upon ss. 891.45 , 891.453 and 891.455, Stats.

CLEARINGHOUSE RULE 13-029

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Legislative Reference Bureau and the Legislative Council Staff, dated November 2011.]

2. Form, Style and Placement in Administrative Code

a. In the enumeration of rule provisions treated by the proposed rule, the department should revise the enumeration in accordance with s. 1.02 (1), Manual. In particular, the department should ensure that all rule sub-units treated by the proposed rule are included in the enumeration, and should provide more specific references to the sub-units of affected rules instead of general references to rules by section. /

b. The plain language analysis description of s. ETF 52.02 (4m) should be renumbered s. ETF 52.02 (1) (m). /

c. The department should delete the word “section” as found after “created” and before “to” in the portion of the plain language analysis describing s. ETF 52.06 (7) (bm). /

d. In SECTION 4, the department should refer to the amendment of s. ETF 52.06 (7) (a) 2. and (b). Section ETF 52.06 (7) (a) 1. does not appear to include any amended language, thus, it is unnecessary to refer to s. ETF 52.06 (7) (a) 1. /

e. In SECTION 5, underlining the entire paragraph that is created does not conform to administrative rules drafting standards. Underlining is appropriate when adding to portions of existing language. [s. 1.055 (b), Manual.] /

f. In SECTION 7, the rule text should begin with reference to “ETF 52.07 (3) (b)” rather than “(b)”. /

g. Throughout the proposed rule, the department's use of introductory material and lists should use periods rather than semicolons and "and" or "or". [s. 1.03 (4), Manual.] ✓

h. The title for s. ETF 52.15 should end with a period and conform to the style prescribed by s. 1.05 (b), Manual. Other titles, as indicated throughout the proposed rule, should be revised for conformity with s. 1.05, Manual. For example, see ss. ETF 52.06 (5) (a) and 52.16 (4) (a) and (c). ✓

i. In s. ETF 52.15 (2), the reference to "ETF" should be replaced by a reference to "the department". ✓

j. The effective date of the proposed rule should be included as a numbered section of the rule. [s. 1.02 (4), Manual.]

4. Adequacy of References to Related Statutes, Rules and Forms

a. In SECTION 1, it may be helpful to the reader to include a note with the definition of "protective occupation participant" as defined in s. 40.02 (48) (b) 2., Stats.

b. Similarly to the note above, there are several other references to statutory definitions in the draft language that would benefit from the inclusion of notes describing the definition in order to assist the reader.

5. Clarity, Grammar, Punctuation and Use of Plain Language

a. In SECTION 4, insert the word "that" between "but" and "one" under s. ETF 52.06 (7) (b) 3.

b. In SECTION 6, insert a comma between "891.45" and "891.453".

c. In SECTIONS 7 and 9, use of "this includes" should be avoided and replaced by more definitive references. Generally, material in these sections should be revised for clarity. In particular, s. ETF 52.07 (3) (c), as amended, is confusing. Additionally, the phrase, "Excluded from...are:", in s. ETF 52.12 (1), could be written to avoid use of passive voice.

d. In SECTION 11, under s. ETF 52.16 (4) (c), insert the word "as" between "or" and "reimbursement".

Response to Legislative Council Staff Recommendations

ETF implemented nearly all Legislative Council staff recommendations. Staff did not implement the recommendation that notes with statutory definitions, including, “protective occupation participant”, be included in the rule as staff believe they are unnecessary for understanding the rule and are available in the statutes.

Policy Problem Addressed by the Rule

The proposed rule would amend definitions in ETF §50.02 to clarify how terms are used by the Disability Bureau of ETF. The department has determined that other provisions should be amended to incorporate the procedures for administering the benefit that the department has developed since the chapter was promulgated in its entirety in 1998.

Summary of Rule's Economic and Fiscal Impact on Specific Businesses, Business Sectors, Public Utility Rate Payers, Local Governmental Units and the State's Economy as a Whole (Include Implementation and Compliance Costs Expected to be Incurred)

There is no economic and fiscal impact on small business, business sectors, public utility rate payers, local governmental units and the state's economy as a whole. The rule changes update the rules to reflect procedural adjustments in administering the Duty Disability program.

Benefits of Implementing the Rule and Alternative(s) to Implementing the Rule

The rule language more accurately reflects the procedures used by the agency in administering the Duty Disability program. The agency does not see alternatives to achieving the policy goal of the rule amendments.

Long Range Implications of Implementing the Rule

There are no long range economic or fiscal impacts of the rule.

Compare With Approaches Being Used by Federal Government

The proposed rule amendments do not have federal corollaries although approximately 38 states do have laws regarding presumptive diseases contracted or developed by fire fighters.

Compare With Approaches Being Used by Neighboring States (Illinois, Iowa, Michigan and Minnesota)

Illinois – Similar provisions regarding presumptive diseases at 40 ILCS 5 et seq.

Iowa – Similar provisions regarding presumptive diseases at Iowa Code §§ 411 (1) and 411.6

Michigan – Similar provisions in Mich. Comp. Laws §§418.401 to 418.441 regarding presumptive diseases.

Minnesota – Similar provisions in chapter 176 of the Minnesota Statutes. Minn. Stat. §176.011 et seq.
