**CORRESPONDENCE MEMORANDUM**

**DATE:** March 5, 2014  
**TO:** Executive Committee  
Employee Trust Funds (ETF) Board  
**FROM:** Stacie Meyer, Human Resources Director  
Division of Management Services  
**SUBJECT:** Steps/Timelines for the ETF Secretary's Evaluation Process and  
Supervisor/Manager Survey

**Background**

In December 2008, the ETF Board (Board) approved a performance evaluation form to assist in evaluating the Secretary in June of each year. The Board also approved the use of a survey among ETF managers as a source of additional information the Committee can use in its evaluation of the Secretary's performance. The survey questions are aligned with the categories on the performance evaluation form and cover management of operations; member/employer services; external relations; leadership; and staff development. The Board utilizes both of these documents in its yearly evaluation of the ETF Secretary.

**Evaluation changes**

In 2013, due to changes underway with the agency's Transformation, Integration and Modernization (TIM) initiatives and the desire to include feedback from agency supervisors, the "managers' survey" of the Secretary's performance was also sent to ETF's 22 supervisors. In addition, the survey was revised using the on-line survey tool, SurveyMonkey. A link to the actual survey and instructions was provided in May 2013 to the Board for response.

At the June 20, 2013 meeting, the Board did not suggest any further changes to the performance evaluation form or survey for the June 2014 evaluation, so unless directed otherwise, the same process and tool will be used.

Board	Mtg Date	Item #
EXC	3.26.14	5B
ETF	3.27.14	4A1

**Response Rates**

In order to maintain confidentiality of our supervisors/managers while also providing an incentive to be completely honest in their evaluations of the Secretary, the survey responses from the managers has been confidential in the past. Unfortunately, this does result in less than 100% response rate since Human Resources is unaware of who has completed the survey. This has been a concern of the Board in the past. Using the methodology explained above, the response rate in 2013 was 97.8%. To address the Board's concerns but maintain confidentiality for the supervisors and managers in responding to the survey, Human Resources will again stress the importance of the survey and will highlight in the cover letter to supervisors/managers that the Board is asking for 100% participation.

I will be available at the Executive Committee and ETF Board meeting to answer any questions.
