Good morning,

I submit a statement from the SWIB website on this matter as I learn who to speak with.

"For these reasons, SWIB does not take part in divestment efforts regardless of the underlying companies that are targeted."

Not having a substantial understanding of investment and/or divestment, companies can also look to a divestment strategy to satisfy other strategic business, financial, social, or political goals. I'm simply asking what is the process to remove TESLA INC ? Who should I speak with?

Thank you for reaching out with your comments regarding the investment management of the Wisconsin Retirement System trust funds. Regarding your question regarding selling or divestment of certain holdings, we have posted a statement on divestment on our website. You can [click here](#) to read that statement.
