Correspondence Memorandum

Date: March 9, 2017

To: Executive Committee
Employee Trust Funds (ETF) Board

From: Stacie Meyer, Human Resources Director
Division of Management Services

Subject: Steps/Timelines for the ETF Secretary's Evaluation Process and
Supervisor/Manager Survey

Background

In December 2008 the ETF Board (Board) approved a performance evaluation form to assist in evaluating the Secretary in June of each year. The Board also approved the use of a survey among ETF managers as a source of additional information the Committee can use in its evaluation of the Secretary's performance. The survey questions are aligned with the categories on the performance evaluation form and cover management of operations; member/employer services; external relations; leadership; and staff development. The Board utilizes both of these documents in its yearly evaluation of the ETF Secretary.

Evaluation changes

In 2013, due to changes brought about by the Transformation, Integration and Modernization (TIM) initiatives and the desire to include feedback from agency supervisors, the "managers' survey" of the Secretary's performance was also sent to ETF's supervisors. In addition, the survey was revised using the on-line survey tool, SurveyMonkey.

At the September 2014 Retirement Board meeting, a recommendation was made to eliminate the "Superior" rating but retain all other ratings. The survey for the June 2015 evaluation was updated with this change. Unless directed otherwise, the same process and the modified tool will be used.

Response Rates

In order to maintain confidentiality of our supervisors/managers while also providing an incentive to be completely honest in their evaluations of the Secretary, the survey

responses from the managers have always been kept confidential. Unfortunately, this also reduces compliance with taking the survey since Human Resources is unable to determine who has completed the survey and who has not. This has been a concern of the Board in the past. Using the methodology explained above, the response rate in 2016 was 78%. To address the Board's concerns but maintain confidentiality for the supervisors and managers in responding to the survey, Human Resources will again stress the importance of the survey and will highlight in the cover letter to supervisors/managers that the Board is asking for 100% participation.

Staff will be available at the Executive Committee and ETF Board meeting to answer any questions.
