Correspondence Memorandum

Date: March 2, 2023

To: Executive Committee

Employee Trust Funds Board

From: Lisa Dally, Human Resources Director

Subject: Steps/Timelines for the ETF Secretary's Evaluation Process and

Supervisor/Manager Survey

Background

In December 2008 the ETF Board (Board) approved a performance evaluation form to assist in evaluating the Secretary in June of each year. The Board also approved the use of a survey among ETF managers as a source of additional information the Committee can use in its evaluation of the Secretary's performance. The survey questions are aligned with the categories on the performance evaluation form and cover management of operations; member/employer services; external relations; leadership; and staff development. The Board utilizes both documents in its yearly evaluation of the ETF Secretary.

Response Rates

To maintain confidentiality of our supervisors/managers while also providing an incentive to be forthright in their evaluations of the Secretary, the survey responses from the managers have always been kept confidential. Unfortunately, this also reduces compliance with taking the survey because Human Resources is unable to determine who has completed the survey and who has not. This has been a concern of the Board in the past.

Using the methodology explained above, the response rate in 2022 was 73%. To address the Board's concerns but maintain confidentiality for the supervisors and managers in responding to the survey, Human Resources will again stress the importance of the survey and will highlight in the cover letter to supervisors/managers that the Board is asking for 100% participation.

I will be available at the Executive Committee and ETF Board meeting to answer any questions.
