CORRESPONDENCE MEMORANDUM

DATE:

August 10, 2011

TO:

Group Insurance Board

FROM:

Robert C. Willett, CPA

Chief Trust Financial Officer

Office of Budget and Trust Finance

SUBJECT: Financial Review of Alternate Health Providers

Staff recommends the Board accept the recommendation that all the health plans have met the financial requirements for participation in 2012.

I have reviewed the audited financial statements of the various Health Maintenance Organizations (HMOs) that have requested to participate in the state's group health insurance program in 2012. The purpose of my review was to help assure that each plan has the financial stability necessary to adequately serve our members participating in the program.

In evaluating these plans, I considered the following factors:

Earnings Experience Reserve Accumulations Office of the Commissioner of Insurance (OCI) Surplus Requirements Liquidity Reinsurance Coverage **Insolvency Protection** Risk Sharing Arrangements

2010 was a difficult year for some plans, with five of the eighteen experiencing losses for the year (up from only one in 2009) and the plans' average net income declining from 2.1% to 1.7% of revenues. However, their average net worth increased by 11.9% over 2009 and, as of year-end, all plans were in compliance with OCI surplus requirements. No plans appear to be in danger of insolvency.

I have attached a schedule showing Total Revenues, Net Profit or Loss, and Net Worth for each of the participating plans as of the end of 2010 and 2009.
