CORRESPONDENCE MEMORANDUM

DATE: January 27, 2013
TO: Group Insurance Board
FROM: David H. Nispel, General Counsel
Steve Hurley, Office of Policy, Privacy and Compliance
SUBJECT: Status of Proposed Administrative Rules

This memo is for informational purposes only. No Board action is required.

This memorandum typically lists the administrative rules staff are currently working on that are subject to approval by the Group Insurance Board (GIB), and gives the status of those rules. However, at this time there are no rules being promulgated.

ETF is developing a scope statement for a new technical rule that will be designed to eliminate obsolete language from the Administrative Code and make other minor technical changes. We will keep you informed of the progress on that rule and any others that may arise.

Staff will be at the Board meeting to answer any questions.

Reviewed and approved by Robert J. Marchant, Deputy Secretary
