Correspondence Memorandum

Date: October 22, 2015
To: Group Insurance Board
From: Lisa Ellinger, Director, Office of Strategic Health Policy (OSHP)
Subject: OSHP Personnel Changes

This memo is for informational purposes only. No Board action is required.

OSHP has made a number of staff changes over the past several weeks following the departure of Mike Bormett and Angel Johnson, as follows:

Deputy Director – Eileen Mallow

Eileen Mallow accepted the role of Deputy Director, following Mike Bormett's departure in mid-October. Eileen had been a Senior Policy Advisor in OSHP since May.

Strategic Health Policy Advisor – Jennifer Stegall

Jennifer filled the position formerly held by Eileen Mallow. Jen will start with ETF November 2; she most recently worked for Wisconsin Physicians Service, but previously worked for the Office of the Insurance Commissioner.

Manager of Performance Measurement – Jim Cooper

Jim Cooper filled the position previously held by John Bott. Jim most recently worked for the Wisconsin Medicaid program, but previously worked in a data and measurement role for Physicians Plus Insurance Company.

Manager of Performance Measurement – Joan Steele

Joan Steele was hired to fill a second Performance Measurement position. This will support our increasing focus on data and measurement in the health insurance program. Joan has returned to ETF after several years in the private sector. Her prior role at ETF was the Manager of the Alternate Health Plans.
