Good morning Mr. Fields,

Thank you for taking the time to share your observations and feedback regarding the current structure of the state's group health insurance program and the evaluation of switching from a self-funded to self-insurance model. Your letter will be shared with the Group Insurance Board along with other comments that we have received regarding this topic.

- **Name** Dan Fields
- **Subject** Self insurance
- **Message** I am strongly opposed to self insurance for the State of Wisconsin. The proposed "savings" are merely transfers of costs from the state to the individual. Self insurance will result in higher costs and less coverage. Please reject this proposal Thank you Dan Fields
