

To the members of the Group Insurance Board,
My name is Brittany Allen; I am a citizen of Wisconsin as well as a state employee. I am writing to you as a member of the WI Transgender Health Coalition and a pediatrician that cares for transgender and gender non-conforming children and teenagers. Health insurance coverage that is inclusive of medical, surgical, and mental health care for transgender and gender non-conforming people is very important to me. I know that you value health and safety for all Wisconsin workers as well. I want to thank you in advance for your dedication and action to protect transgender and gender non-conforming citizens.

Sincerely, 

BRITTANY ALLEN, MD.
