

Dear Group Insurance Board members,

My name is Callie Hill and I am a patient advocate in one of Dane County's largest health systems. I'm writing you as a member of the Wisconsin Transgender Health Coalition. Trans Inclusive health care coverage is very important to me because I work with Wisconsin folks who cannot currently receive the kind of health care they desperately need & deserve because of exclusions. Thank you for taking up this important issue & fighting the good fight. Times are tough but we are on the right side of history & Justice. Thank you for your dedication & actions to protect trans & gender non-conforming citizens.

Sincerely, Callie Hill
