

## Letter 33

Members of the Group Insurance Board,

I am writing today to express my deep disappointment with the decision of this board to discontinue coverage of gender reassignment services. I was considering a state employment position in your beautiful state of Wisconsin, but I no longer wish to accept. I cannot in good conscience participate in a system that does not provide for the health needs of LGBTQ individuals. I deeply hope the members of this board will reconsider offering this type of coverage which is unlikely to represent a significant overall cost, but is utterly necessary to the individuals who rely on it. Thank you for your time.

Sincerely,

A handwritten signature in black ink, appearing to read "Christy Kirwan". The signature is fluid and cursive, with a long, sweeping underline that extends to the right.
