Subject: Exclusion of gender identity benefits
Date: Wednesday, March 15, 2017 12:02:28 PM

Greetings,

On Monday, employees received an email from the University of Wisconsin System HR that the following services have again been excluded from participants of the State of Wisconsin Group Health Insurance Program:

- l. Surgical Services
- c. Procedures, services, and supplies related to surgery and sex hormones associated with gender reassignment.

I would like to know why this exclusion has been reinstated.

Thank you.
