Subject: EFT: Disappointed in your healthcare decision today
Date: Wednesday, February 8, 2017 11:01:59 PM

So glad my family can help balance the state budget and all its tax cuts on the single income of my public service salary. Especially with a new baby, I was counting on my healthcare plan and I am incredibly disappointed to be so absolutely discounted along with thousands of other loyal public servants. Wish you had given US a vote too.
