

Truven Health Analytics Contract Extension

Item 6D – Group Insurance Board

Rachel Carabell, Senior Health Policy Advisor
Office of Strategic Health Policy

ETF Requests Approval For:

Two-year extension of the contract with Truven Health Analytics, LLC

- Contract Period: January 1, 2019 – December 31, 2020
- First of two, two-year opportunities for renewal
- Potential for contract amendments

Background

- Effective March 1, 2017, the Board signed a contract with Truven Health Analytics to provide a data warehouse and business intelligence tools for the GHIP.
- The current contract expires December 31, 2018 unless extended by the Board.
- Implementation includes three phases.

Background

- Build an AdvantageSuite® data warehouse with three years of data (2014-2016)
- Provide Interactive Reporting, a visual business intelligence tool that aggregates data for analytics and provides standard reports
- Provide an ad-hoc report writer that allows ETF to develop its own reports directly from the data warehouse

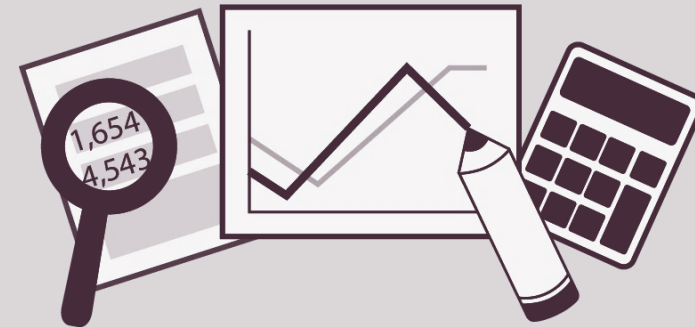

Background

Phase 2

Development of:

- Custom reports and dashboards
- Custom performance measures

Phase 3

Analysis of data looking for:

- Treatment compliance
- Performance outliers
- Possible integration of EHR/EMR data

Current Status

Phase 1

- Expected Implementation: April 2018
- Data submission issues have largely been resolved
- Focus: Medical claims file submission
- First round of integration testing in progress

Phase 1 → 2

- Provider file submission
- Giving health plans access to data on their members

Phases 2 & 3

Expected Implementation: Summer 2018

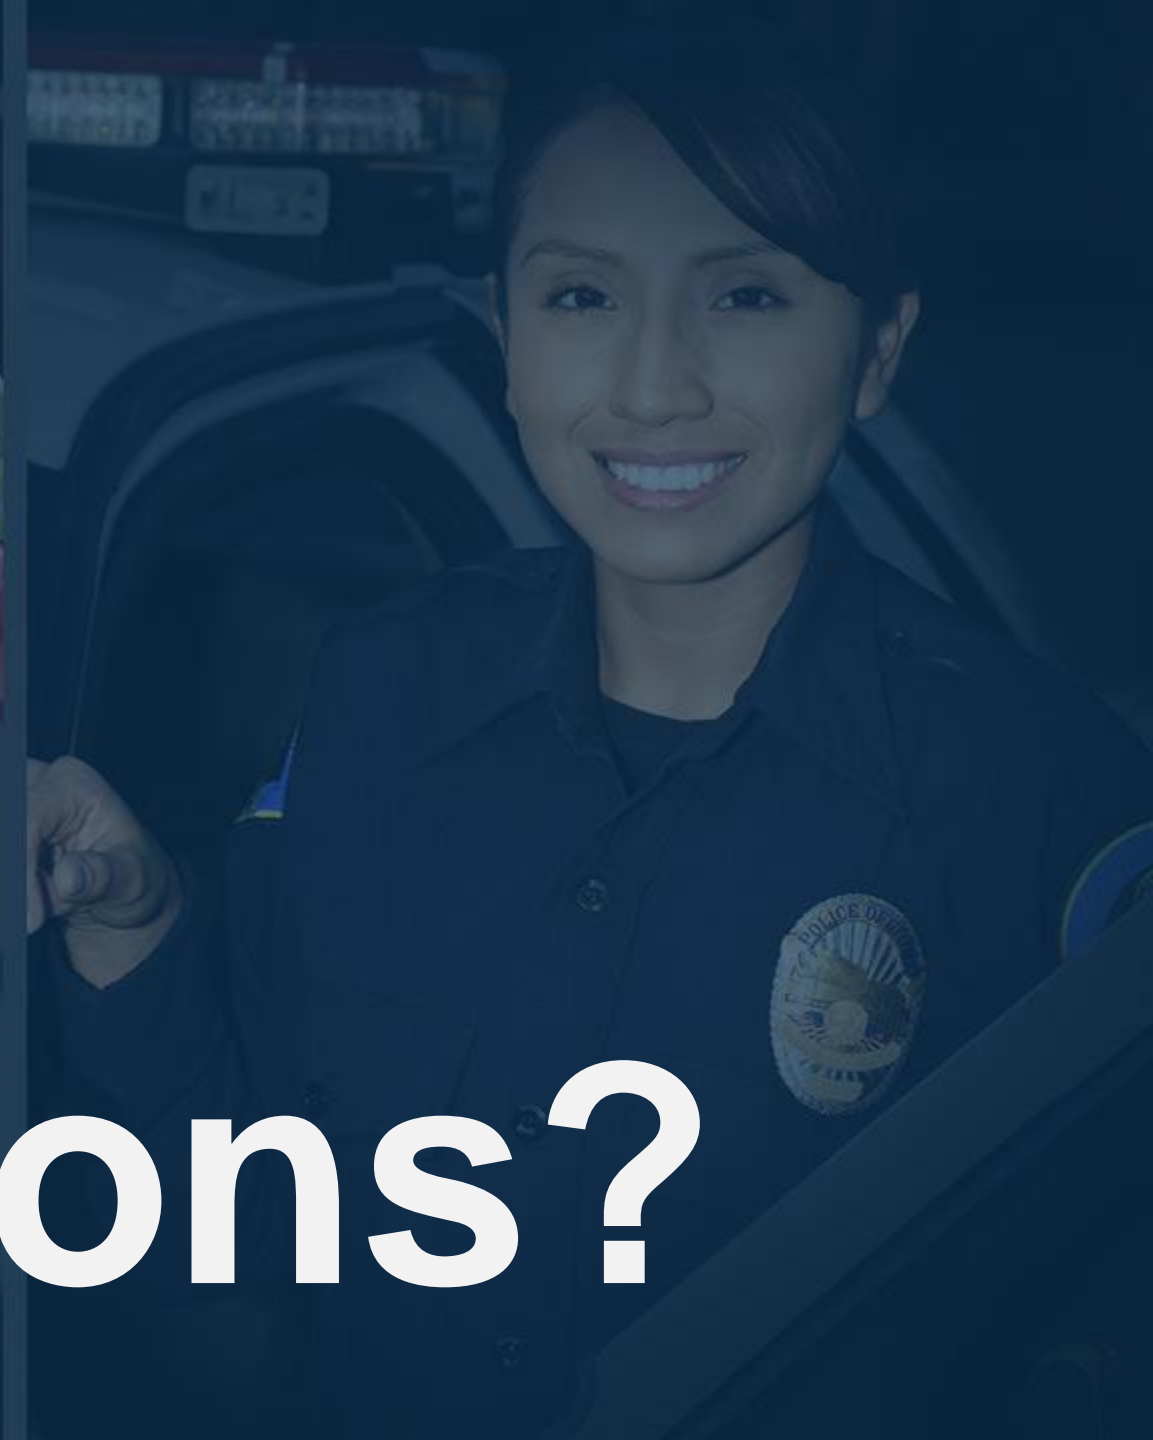

Contract Extension

- Recommend contract extension through December 31, 2020
 - Mid-way through implementation
 - No cost increase despite one month delay for phase one
- Updates to the project status and timeline will be provided at the February Board meeting

2018 Contract Amendment

ETF is considering the following contract amendments:

- Performance Guarantees
 - Tied to identified phase 1, 2 or 3 project milestones
- Audit Requirement
 - Third-party system and organization controls (SOC) audits annually
