Subject: Remove the exclusion for transgender health care
Date: Tuesday, August 21, 2018 6:51:00 AM

Dear Members of the Group Insurance Board,

My name is Kurt Zemke

Transgender citizens are a minority in our society. They are targets of violence and discrimination. They deserve the same inalienable rights as any citizen. I urge you to vote to remove the existing exclusion relating to their struggle to become the person they need to be.

Thank you
