

## Letter 28

**From:** Johnson, Daniel J NFG USAF WI CRTC (US)  
**To:** [ETF SMB Board Feedback](#)  
**Subject:** State health insurance.  
**Date:** Thursday, August 23, 2018 7:40:34 PM

---

Are you aware that an insurance provider for State employees does not cover some preventative care shots. WEA Trust will not cover my rabies vaccine shots after I was bitten by a stray dog. This should fall under preventative care right ? This seems like such a basic procedure like getting a flu shot. Maybe you can talk some sense into them. Thank you for any help. Daniel Johnson Dept. of Military Affairs, Volk Field, Camp Douglas Wis. 608-374-2323. danieljj@centurytel.net
