Subject: Status of Pending Legal Cases

This memo is for informational purposes only. No Board action is required.

This memorandum presents the status of pending or recently concluded court cases involving insurance issues, the Department of Employee Trust Funds and/or the Group Insurance Board (Board). In order to maintain Wisconsin Retirement System member confidentiality, the names of the parties and case numbers are not identified in this memorandum.

The purpose of this memorandum is to inform you of litigation in which the Board and/or ETF are parties or are otherwise involved, not to provide any legal advice concerning the cases listed here. Each of the cases is being handled by an assistant attorney general from the Department of Justice (DOJ). If you have any questions about a case, we will be able to provide you with the name of the attorney handling it.

As of October 17, 2018, there are three cases, which can be divided into the following categories:

A two-day trial on the issue of damages followed on October 9 and 10. The court then issued its final decision on October 11, 2018, permanently enjoining the use of the exclusion by the defendants and entering judgment in favor of the plaintiff's in the amount of \$780,500. That amount does not include attorneys' fees, which will be decided separately. The DOJ has 30 days from the date of the court's final order to file an appeal with the Seventh Circuit Court of Appeals.

WPS SUBROGATION CASES

In past memos, we reported on subrogation cases handled by WPS through private counsel. Because WPS is no longer administering the self-funded IYC Access Plan, they are not handling any subrogation matters for ETF. At the time the relationship ended, there were no cases pending in which the Board or ETF has a subrogation interest in a court action filed by a WRS member.

Staff will be available at the board meeting to answer questions.
