Wisconsin Group Insurance Board,

I was recently made aware that the Insurance Board last year approved Medicaid coverage for transgender surgeries. As a Wisconsin taxpayer I am vehemently opposed to this decision. It is my opinion that God created two genders, and two genders only, those being man and woman. I do not believe God made any mistakes, rather I believe our misguided culture is causing children and young adults to ponder that perhaps they are something other than what is perfectly obvious to someone that is not misled or perverted by harmful influence. As adults in positions of leadership you have a tremendous responsibility to do what is right for the people of Wisconsin. I do not want my tax dollars to be used for transgender surgeries.

"Be not deceived; God is not mocked: for whatsoever a man soweth, that shall he also reap." Galatians 6:7

I hope and pray that you have the wisdom to listen to the word of God. I urge you to reverse the decision to provide coverage for transgender surgeries. I respectfully look forward to your response.

Sincerely,  
Mike Havey
