Dodge County choose to leave ETF insurance and if they choose to return will retirees be able to return with them or are we now left as state retirees to find our own?

Re: re-enrollment in the Wisconsin Public Employers Group Health Program

Dear Ms. Kuehl:

There are now certain provisions that allow Wisconsin Retirement System (WRS) annuitants who left or lost eligibility for participation in the Wisconsin Public Employers Group Health Program to re-enroll in the program.

Your former employer, Dodge County, is leaving participation in the group health program at the end of 2018. Because you became a WRS annuitant prior to Dodge County leaving the program, should Dodge County choose to re-enter the program in the future, you would be eligible to re-enroll during the annual Its Your Choice open enrollment period.

Please feel free to contact me if you have further questions.

Thank you.

Sincerely,

James Kates
