To: Audit Committee Members

From: Yikchau Sze, Director
 Office of Internal Audit

Subject: Open Audit Issues Report

This memo is for informational purposes only. No action is required.

Office of Internal Audit (OIA) updates the Open Audit Issues report quarterly based on status reported by management. Management is responsible for timely completion of actions that address audit findings. OIA is responsible for tracking progress reported by management and formally accepting the closure of audit findings. The formal acceptance is achieved by performing follow-up audits to confirm the completion of corrective actions that are in place for one year.

OIA completed follow-up audits on the Mobile Computing Device Audit, Income Continuation Insurance (ICI) Audit, and OFAC Compliance audit. OIA verified that except two action items that remained open due to especial circumstance, management has sufficiently addressed audit recommendations.
