Correspondence Memorandum

Date: July 26, 2019
To: Group Insurance Board
From: David H. Nispel, General Counsel
Dan Hayes, Attorney
Office of Legal Services
Subject: Status of Pending Legal Cases

This memo is for informational purposes only. No Board action is required.

This memorandum has been presented quarterly and updates the Group Insurance Board (Board) on the status of pending or recently concluded court cases involving insurance issues, the Department of Employee Trust Funds (ETF) and/or the Board. At this time, there is only one minor subrogation case pending.

In the past, this memo has included all subrogation cases and judicial reviews of final decisions issued by the Board. Moving forward, we plan to change our approach by presenting court cases that name the GIB Board or ETF as parties and are of more significance than minor subrogation matters. We will continue to update the Board on all judicial reviews of Board decisions. If the Board would like to be updated on the minor subrogation matters, please let the board liaison know, and we will prepare updates on these cases as well.

Staff will be available at the Board meeting to answer any questions.
