**Correspondence Memorandum**

**Date:** August 4, 2022  
**To:** Group Insurance Board  
**From:** Eileen Mallow, Director  
Office of Strategic Health Policy  
**Subject:** 2023 Health Plan Financial Status

**The Department of Employee Trust Funds (ETF) requests the Group Insurance Board (Board) acknowledge that the Office of the Commissioner of Insurance (OCI) has confirmed the health plans have met the financial requirements for participation in 2023.**

As part of ETF due diligence in qualifying health plans for participation in the Group Health Insurance Program, ETF has verified the financial condition of participating health plans. ETF relied on OCI to confirm each company's financial position. After consultation with OCI on company financial status, OCI confirmed "insurers provided on the list from ETF are meeting the financial requirements established by OCI."

Staff will be available at the Board meeting to answer any questions.
