

Administrative Services for the State of Wisconsin Pharmacy Benefits Program Contract Extension

Item 9 – Group Insurance Board

Tricia Sieg, Pharmacy Benefits Program Manager

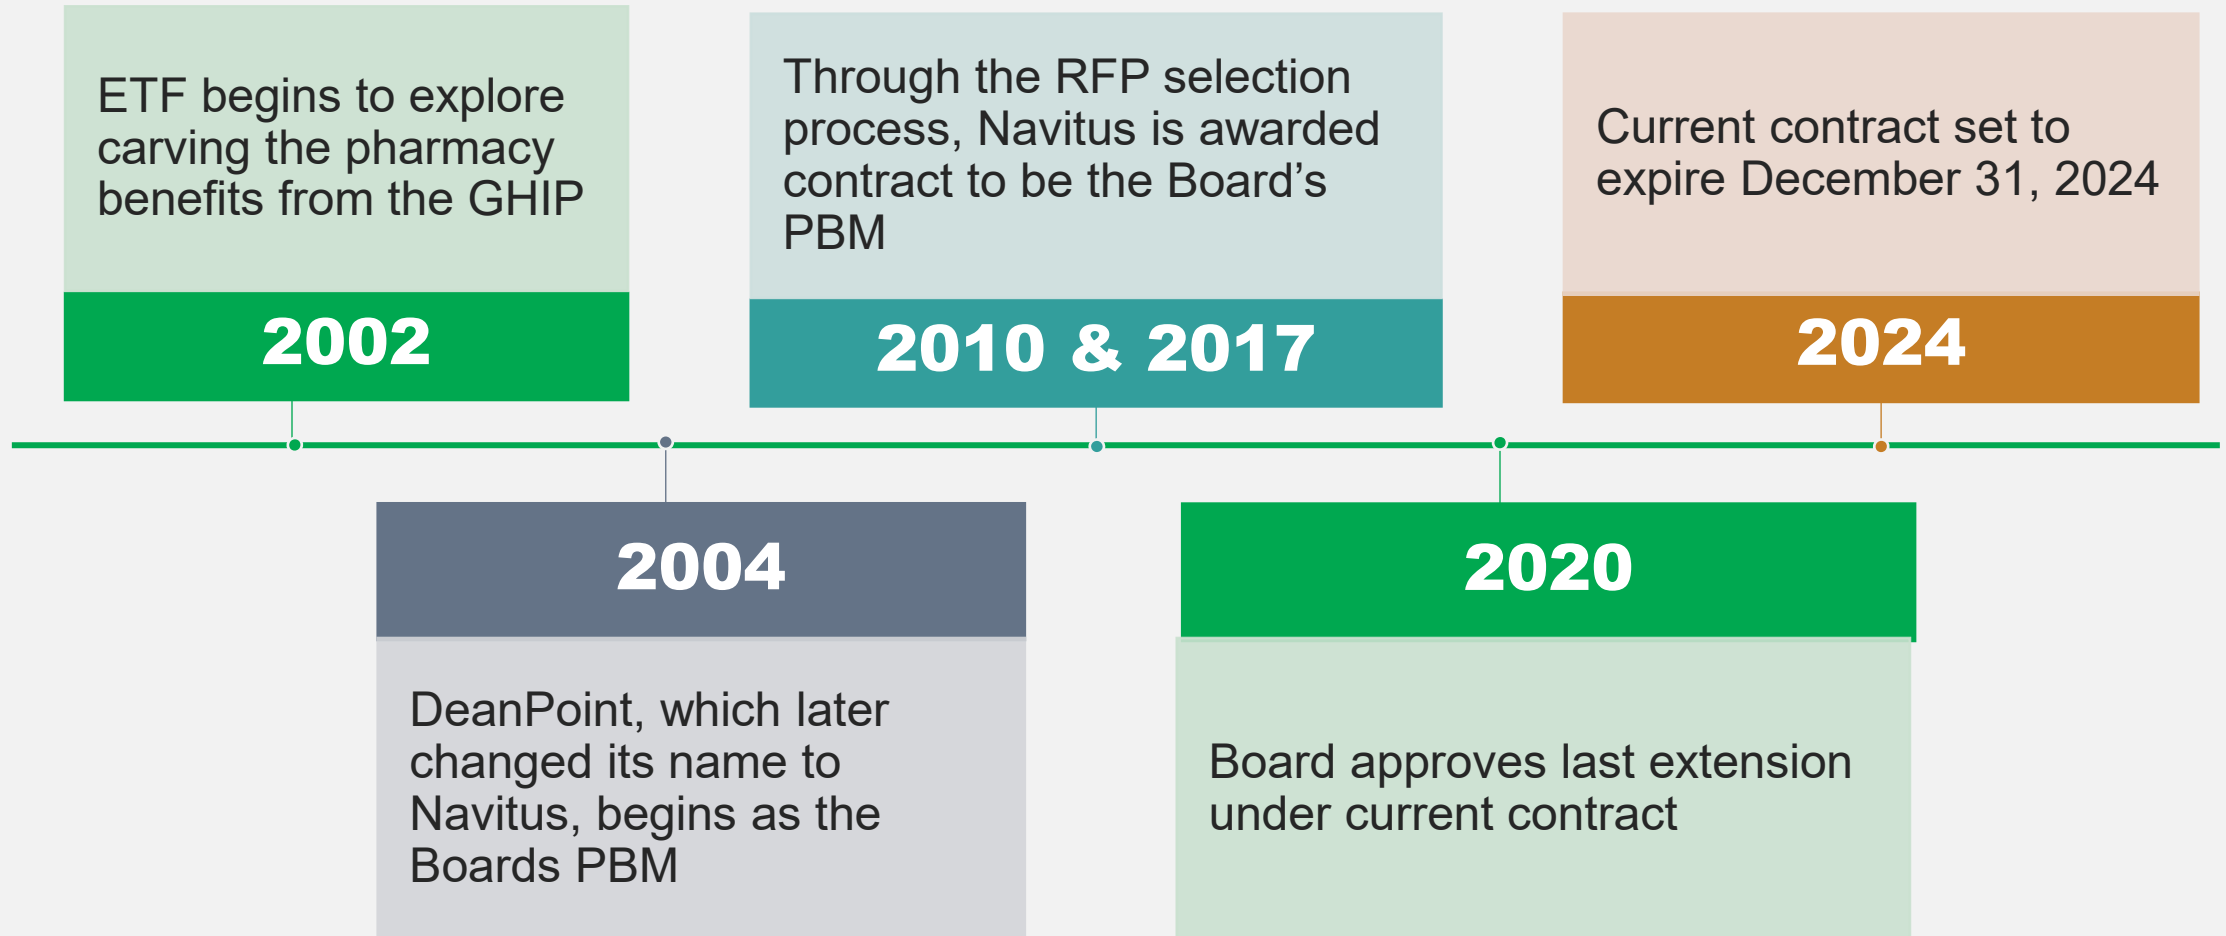

Office of Strategic Health Policy

Action Needed

ETF requests the Board approve a one-year extension of the existing contract with Navitus Health Solutions for the period of January 1, 2025, through December 31, 2025.

Brief PBM History

Why is an Extension Needed?

Insurance Administration System (IAS)

Implementation scheduled to take place during second quarter of 2024

New Pharmacy Benefit Manager (PBM) Contract

Onboarding of a new PBM and offboarding outgoing PBM would begin during the second quarter of 2024

Projects would share many of the same ETF team members and agency resources

What Does Board's PBM Do?

Negotiate
discounts

Process all
pharmacy
claims

Manage
Board's
Medicare Part
D Program

Manage
accumulator
files for
Board's health
plans

Negotiate
rebates

Maintain
Pharmacy
Network

Provide
member
services and
coordinate
benefits

Manage
formularies
and drug list
