Good Morning,

As you prepare to meet later today, I am writing to clarify some statements that I have discovered are being made and attributed to me with regards to the Copay Assistance Accumulator Program.

I am the author of SB 100. I did receive a request from ETF staff to meet with them about the bill and was glad to do so.

However, at no point did I indicate that I would agree to modify language to exempt the GHIP from the bill if the GIB approved implementing the Access Guidance Service Program.

If you have any questions, or if I can be of any further assistance please feel free to contact me at anytime at (920) 819-8066.

Sincerely,
Senator André Jacque
