Key for highlighted cells above

- Cells highlighted in **ORANGE**: Lowest score within the measurement category
- Cells highlighted in **BLUE**: Highest score within the measurement category
- Cells highlighted in **SALMON**: No score due to low denominator/not reported

Key for highlighted cells below

- Cells highlighted in **ORANGE**: Largest decrease in percent change within the measurement category
- Cells highlighted in **BLUE**: Largest increase in percent change within the measurement category
- Cells highlighted in **SALMON**: No score due to low denominator/not reported
