## **Correspondence Memorandum**

**Date:** July 18, 2024

**To:** Group Insurance Board

**From:** Tom Rasmussen, Life and Dental Insurance Program Manager  
 Douglas Wendt, Supplemental Plans Program Manager  
 Office of Strategic Health Policy

**Subject:** Alternate Supplemental Plans Update

**This memo is for information purposes only. No Board action is required.**

**Background**

The Universities of Wisconsin (UWs) and University of Wisconsin Hospital and Clinics (UWHC) are permitted to offer their own supplemental plans in addition to what the Group Insurance Board (Board) offers under [Wis. Admin. Code ETF 10.20](#).

This memo outlines the supplemental insurance plans that UWs and UWHC will offer in 2025.

**Accidental Death and Dismemberment Supplemental Plans**

Both UWs and UWHC will continue to offer the Board’s accident plan with accidental death and dismemberment (AD&D) benefit in 2025. Both will also continue to offer their own AD&D plans to their employees.

**Supplemental Dental Offerings**

UWs will continue to solely offer the dental plans made available to them by the Board. No other dental plans are available to UWs’ employees.

In addition to offering the Board’s two supplemental dental plans and the stand-alone Preventive Plan, UWHC will again offer its own Delta Dental of Wisconsin supplemental dental plan. There are no anticipated changes in the dental offerings for UWHC for plan year 2025.

**Supplemental Vision Plan**

UWs and UWHC will continue to offer the Board’s supplemental vision plan in 2025.

Staff will be at the Board meeting to answer any questions.
