Key for highlighted cells above

↑

\*Cells highlighted in 

ORANGE

 Lowest score within measurement category

\*Cells highlighted in 

GREEN

 Highest score within measurement category

\*Cells highlighted in 

SALMON

 No score due to low denominator/not reported

Key for highlighted cells below

↓

\*Cells highlighted in 

ORANGE

 Largest decrease in percent change within the measurement category

\*Cells highlighted in 

GREEN

 Largest increase in percent change within the measurement category

\*Cells highlighted in 

SALMON

 No score due to low denominator/not reported
