

POSITION #328057 - Trust Funds Specialist
Contact Management Section

POSITION SUMMARY

Under the close to limited supervision of the Contact Management Section Chief, this position is responsible for providing detailed benefit and Wisconsin Retirement System (WRS) information necessary for members to make informed life-path decisions regarding all benefit and retirement options available during and after their public service career. This position researches and analyzes member records and ETF administered program information to determine eligibility under statutory provisions and Department policies. Specialists effectively communicate benefits, available options, and applicable deadlines during telephone conversations and in writing. In addition to members, specialists may also provide information to their representatives, survivors, beneficiaries, and other interested third parties. This position requires most of the workday be spent on the phone responding to benefit inquiries. Exceptional customer service skills are essential to this position.

GOALS AND WORKER ACTIVITIES

45% GOAL A: Provision of WRS program information

Worker

- Activity:
- A.1 Research, analyze and respond to phone and written inquiries from members, beneficiaries, or their representatives regarding detailed WRS program information and effectively explain available options, eligibility requirements, and when to apply for benefits.
 - A.2 Verify and update member account information during each interaction ensuring improved integrity of data.
 - A.3 Inform participants about applicable requirements and procedures to purchase other governmental service or forfeited Wisconsin public service credit. Instruct members about the affects purchased service may have to their account.
 - A.4 Research members records and provide detailed account information, including payment status and taxability of benefits.
 - A.5 Research member records and collect pertinent information to ensure accurate processing of requests such as beneficiary designations, estimates, tax withholding, direct deposit, etc.
 - A.6 Maintain confidential information as required by law and rule and inform members and interested 3rd parties of the requirement and means to authorize release of information.
 - A.7 Fulfill member requests by mail for benefit information, including estimates, applications, forms and brochures.
 - A.8 Obtain needed information from persons reporting deaths without disclosing confidential information.

- A.9 Provide general WRS program information by phone and email to interested parties such as employers, attorneys, legislators, other state agencies, retirement systems from other states, etc.
- A.10 Promote benefit awareness by identifying and offering additional resources and self-service options.
- A.11 Provide assistance in scheduling face-to-face and virtual appointments with Member Services Representatives to discuss benefits and services.
- A.12 Refer complex member issues to appropriate Employer Services team.

25% GOAL B: Provision of insurance programs information
