***Note:** This Schedule of Benefits does not apply to Local Deductible Health Plan (PO4/14) retirees.

The Schedule of Benefits explains what medical services the Group Health Insurance Program (GHIP) covers and what you pay for covered services. See your Uniform Benefits Certificate of Coverage (ET-2180) for complete coverage details. The Schedule of Benefits is divided into the following sections:

- [Annual Limits](#)
- [Covered Services](#)
- [Additional Covered Services](#)
- [Dental, Pharmacy, and Supplemental Plans](#)
- [Wellness and Chronic Condition Management](#)

Annual Limits

Annual Medical Deductible

The amount you would owe during a coverage period (usually one year) for covered health care services before your plan begins to pay.

Individual: \$0
Family: \$0

Annual Medical Coinsurance

The percentage of costs for a covered service.

You pay: \$0

Does not apply to: Durable Medical Equipment & Medical Supplies which has 20% coinsurance, up to \$500 per person

Annual Medical Out of Pocket Limit (OOPL)

The most you would pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses.

Individual: \$500 per person for Durable Medical Equipment & Medical Supplies
Family: (See above)

- This Plan uses a provider network. You may have no coverage or have greater out-of-pocket costs if you get care outside of the plan's provider network. Check your provider directory before you receive services.
- The OOPL is for Durable Medical Equipment & Medical Supplies only and applies per person enrolled in the plan.

Applies to:

✓ Maximum Out-of-Pocket Limit (MOOP)

Does not apply to:

✗ Prescription drugs

Annual Maximum Out of Pocket Limit (MOOP)

This is the yearly amount set by the federal government as the most an Individual or Family is required to pay in cost sharing during the plan year for covered, in-network services.

Individual: \$9,100

Family: \$18,200

- The most you would pay for services you receive from in-network providers. Your out-of-pocket costs for services received from in-network providers will count toward this limit.
- The MOOP is embedded for family plans – no one family member will contribute more than the individual amount to the family MOOP.

Covered Services

Commonly used services appear below. This is not a complete list. If you have questions about other specific benefits, contact your health plan.

Ambulance

Also known as paramedic services, these are emergency services that provide urgent pre-hospital treatment and stabilization for serious illness, injuries, and transport to definitive care.

You pay: \$0

Chiropractic Care

Manipulation of the spine to correct a subluxation (when one or more of the bones of your spine move out of position). This also includes Occupational therapy (helping with daily living tasks caused from illnesses and injuries to your brain and body).

You pay: \$0

- ✗ Maintenance visits are not covered.

Cochlear Implant Devices Under Age 18

An electronic device that partially restores hearing. For coverage for participants over the age of 18, see [Cochlear Implant Devices – Over Age 18](#) in the Additional Covered Services section.

You pay: \$0

- ✓ Includes all charges related to implantation surgery and follow-up training sessions.

- ✓ Intraoral splints for treatment of TMJ disorder

Does not apply to the following. See [Additional Covered Services](#).

- ✗ Adult hearing aids
- ✗ Adult cochlear implant devices
- ✗ Dental implants

Emergency and Urgent Care

Certain medical conditions require expedited medical care. You can work with your provider to determine the best level of care to meet your urgent or emergent needs.

Emergency Care

Care for a life-threatening illness, injury, or condition that requires immediate attention. You should seek care at an in-network Emergency Room whenever possible.

You pay: \$60 copayment per visit

- The copayment is waived if you are admitted as an inpatient or for observation for 24 hours or more.
- You may be responsible for other charges in addition to the visit copayment. See Durable Medical Equipment and Medical Supplies for more details on items that may be prescribed for you to take home.

Urgent Care Visit

Care for an illness, injury, or condition serious enough that it requires attention within 24 hours but is not life-threatening. You should seek care at an in-network Urgent Care whenever possible.

You pay: \$0

Hearing Aids Under Age 18

Electronic amplifying devices designed to bring sound more effectively into the ear. For coverage for participants over the age of 18, [see Hearing Aids – Over Age 18](#) in the Additional Covered Services section

You pay: \$0

Home Care Benefits

Medically necessary nursing care, home health aide services, and other home care benefits provided by a medical professional at home as part of a care plan.

You pay: \$0

- Up to 50 visits per participant per calendar year
- Your plan may review your first 50 visits to verify progress is being made
- Up to a maximum of 50 additional visits per participant, per calendar year may be available with prior authorization from your health plan

Inpatient Hospital Services

Services necessary for your admission to a hospital, as well as diagnosis and treatment.

You pay: \$0

- Your health plan may require prior authorization for hospital and/or inpatient services.
- This includes inpatient hospitalization for medical and/or mental health needs.
- Your plan covers a semi-private room, ward, or intensive care unit, as well as any medically necessary miscellaneous hospital expenses, including prescription drugs administered during the confinement.
- Private rooms are only covered if medically necessary, as determined by your health plan.

Primary Care

Primary care includes preventive health care, treatment of illness and injuries, and the coordination of access to needed specialty providers or other services. Your primary care provider (PCP) or primary care clinic (PCC) will provide or arrange for most of your health care needs, including well check-ups, office visits, referrals, outpatient surgeries, hospitalizations, and health-related services.

You pay: \$0

- You must select a PCP or PCC at the time of enrollment or when you change health plans; your PCP may be a physician, physician assistant, nurse practitioner, or any other provider that manages your primary care services.
- If you do not choose a PCP or PCC, or your selection is no longer available, your health plan will assign a PCP or PCC for you.
- Contact your health plan directly to change your current PCP or PCC selection.

Skilled Nursing Facility

Admission to a licensed Skilled Nursing Facility for continued treatment after a hospital stay.

You Pay: \$0

- ✓ Up to 120 calendar days per benefit period

Telemedicine and Remote Care

Certain telehealth and remote care services are covered. These remote services should maintain the quality, safety, and effectiveness of an in-person visit. You should work with your provider to determine the best technology solution(s) to meet your care needs.

E-Visit

An evaluation and treatment by a provider using a patient portal, preferred or vended portal, email, or secure messaging which can include text, images, or videos. Services must address an issue that would typically require an office visit and be patient-initiated. An E-Visit is also called a digital visit or a virtual visit.

You pay: \$0

- Must be initiated by the member seeking services, not the provider, in order to be covered.
- E-Visits are covered when the same service would be covered if provided in person when performed by one of the following provider types:
 - Doctor
 - Nurse practitioner
 - Physician assistant
 - Licensed clinical social worker
 - Clinical psychologist or psychiatrist
 - Occupational therapist
 - Speech / language pathologist

Telehealth

Telehealth is a service delivered via real-time audio and video. Telehealth may also be called telemedicine, online or virtual evaluation and management, or a video visit. Telehealth services include office visits, psychotherapy, consultations, and certain other medical or health services that are provided by a doctor or other health care provider who is located elsewhere using interactive two-way, real-time audio and video technology. Telehealth can be provided in your home, as well as at a health care facility.

You pay: \$0

- Telehealth will be covered by your health plan if those services are delivered:
 - Outside of your physical presence (e.g., remotely),
 - When both audio and video elements are present, and
 - When there is no reduction in the quality, safety, or effectiveness of the service.

If you and your provider determine that you cannot successfully complete a Telehealth visit with full audio and video, you may opt to change to a Telephone Visit.

Telephone Visit

Telephone Visit is an evaluation and treatment by a provider using audio-only. Services must address an issue that would typically require an office visit and be patient-initiated.

You pay: \$0

- Telephone visits will be covered if the provider can successfully provide the service without a reduction in quality, safety, or effectiveness.

Remote Patient Monitoring

Remote Patient Monitoring is a series of services whereby a provider collects and interprets a person's physiologic data that is sent digitally to support treatment and management of medical conditions.

You pay: \$0 for initial setup of device including patient education

- Device must meet home-use medical device as defined by the Food and Drug Administration and be provided as part of the monitoring service.
- Devices are provided as a lease; they cannot be lease-to-own, purchased to own, or already owned.

Virtual Check-In

A brief discussion either by telephone or real-time audio and video between a provider and an established patient to manage a medical condition. These are services separate from and less intensive than Telehealth, Telephone Visits, or E-Visits.

You pay: \$0

- Covered as a Virtual Check-In as long as the check-in is not related to another medical visit within the past 7 days, and as long as the check-in does not lead to a medical visit within the next 24 hours or the next available appointment.

Vision Services

Yearly eye exam to diagnose and treat diseases and conditions of the eye. Does not include frames or any other vision related expenses. For supplemental vision coverage, including prescription glasses and contacts, see the [Supplemental Vision Benefit](#).

You pay: \$0

- Coverage is limited to one eye exam per participant per calendar year
- Non-routine eye exams are covered if considered medically necessary by your health plan
- Child vision screenings:
 - Under age 5 – Federally covered and considered preventive are not subject to deductible or copayment
 - Age 6 or older – Not considered preventive, subject to provider and specialist provider office visit copayment
